HISTORY OF PILOT MISSIONARY BAPTIST CHURCH

Pilot Sunday School was organized before the church. The second Sunday in May 1888, L.H. Joyner and about 25 others met in a brush arbor across the road from the Lemmie Massey home, and organized the Sunday School.

The Sunday School continued until 1903 with no organized church. However, they had preaching and revival services fairly often with volunteer preachers bringing the messages.

In 1903, the church was organized, named Joyner's Chapel in honor of L.H. Joyner. In 1924, the name of the church was changed to Pilot because of confusion—some called it Joyner's and some Pilot—leaving the impression that there were two different churches. In 1904, the church was admitted to the Tar River Association. Reverend George Duke helped organize the church and was called as its first pastor. In the beginning, services were held in the old school house near the site of our present annex building.

In 1907, work was begun on the first church building, frame with eleven classrooms, and a sanctuary with seating capacity of 400. The present church building was begun in 1949, and finished in 1950, with 21 classrooms and a sanctuary with seating capacity of 450 including the balcony. In the Fall of 1945 and Spring of 1946, a ten-room parsonage was built. With much of the labor and material donated, actual cost of the building was $13,500. In 1980, this house was sold and a new brick one built valued at $101,000. Much of the labor was contributed on this parsonage also.

Early in 1953, the elementary school property (the present annex) was purchased along with twelve acres of land. Part of this building was set aside for social functions and a calendar is kept by the church hostess. We also have Sunday School classrooms and a nursery in this building. The grounds of this property are used mostly for recreation; with a picnic shelter, basketball and tennis courts, ball field, and a play area for small children. At present, our church-owned property is valued at $536,951.

Pilot's first report to the Association showed a membership of 102 with 100 enrolled in Sunday School. This has grown to membership of 526 with 349 in Sunday School. Total contributions in 1904 amounted to $199.56; in 1956, $9,883.81; and this year we have a budget of a little over $70,000.

The exact date of the organization of the first W.M.U. in our church is not known, but it was organized by Miss Pearl Parker and Miss Annie Wilder. The first record of W.M.U. work in the church is for the year 1912. There were 14 members in 1914. This organization has grown through the years with good groups on all age levels. Along with the Brotherhood, the W.M.U. has helped the membership become more aware of the mission work being done and of that which needs to be done. In recent years, our church has sponsored several missionary trips. Both the W.M.U. and Brotherhood have good organizations on all age levels.

Our first senior choir was organized in 1949 by Cadwin Cone. At present there are 17 members. Our first Minister of Music, Education and Youth was hired in 1969.

We have had a library since 1967 with lots of good books, many given as memorials. We have also had a part-time secretary since 1964.

Pilot Baptist Church has had 16 pastors: George Duke 1903-1911, W.L. Bilbro 1911-1913, J.W. Noble 1919, J.F. Mitchiner 1920, A.A. Pippin 1921-1933, Ford Burns 1933-1939, Richard Collins 1939-1940, Ralph Cannon 1941-1944, M.A. Pegram 1944-1954, Gilbert W. McDowell 1/20/55-4/19/64, Luther Copeland (interim) 4/64-10/25/64, Patrick N. Forbes 10/25/64-9/4/66, James Tull (interim) 9/11/64-10/66, R. Donald Wagner 10/66-11/78, Garland Hendricks (interim) 12/78-11/79, and our present pastor Jesse W. Mooney, Jr. who began his pastorate November 11, 1979.

Our history reflects the closeness of the people at Pilot and their willingness to work together. Much has been accomplished for our Lord at Pilot; but we know that, with his continued blessing, more can be done. It is our prayer that we will glorify God in all that is done in our midst in the future.

EXECUTIVE COMMITTEE REPORT

The Executive Committee has met two times since the fall session of the Association.

December 15, 1980: Forty-six members present representing twenty-four churches. The treasurer's report showed a balance November 30th of $6,644.54. The moderator reminded us to think 3% giving to the Association. We were allotted $2,450.00 from the State Convention for this year.

Mr. Richard Morgan reported that the Feasibility Committee on printing the history of the Tar River Baptist Association from 1922 through 1980 was at work.

The moderator presented the three-fold purpose of having a simultaneous revival throughout the convention. We were to vote at this meeting whether to participate. Mr. D.C. Phillips made a motion we participate in the North Carolina simultaneous revival; motion was seconded and vote showed 29 for and 10 opposed. Motion passed.

Rev. Jesse Mooney reported there would be a camp for RA's May 8 and 9 which he hoped would be an Evangelistic Thrust as well as a good time.

Rev. Jack Sammons reported the Assist team for Sunday School teacher training would be going to Campbell College for training January 16. He offered the help of the Assist team if you would contact him.

The W.M.U. report from Mrs. Halcy Davis showed they had a prayer retreat, foreign mission study courses, week of prayer for foreign missions, and Day of Prayer in

November. They are proud that as a W.M.U. Council, they have achieved the Distinguished Award for the year 1979-80.

The Evangelism Conference for February 23 at Flat Rock with Mr. A.L. McGhee as speaker was announced.

The moderator presented a request for an adding machine for the Association office. A motion by Rev. John Attaway was passed to purchase a recommended machine for $99.90.

Dr. W.R. McCollum thanked the Association for his Christmas Gift.

Dr. Ray Pruette thanked the Association for letting him be moderator and for the backup of his own church.

March 23, 1981: Fifty-three were present from twenty-six churches. The printed treasurer's report showed a balance February 28 of $6,254.94.

The moderator spoke of several fine meetings held through the Association and asked Mr. Seth Washburn to report on one of those, the Youth Rally. Mr. Washburn used three words to describe the meeting: 1) vision, 2) organization, 3) program, which led to a successful meeting with over 200 persons present.

Rev. Jesse Mooney reported 170 attended the Pastor/Deacon supper at Ephesus Church.

He announced plans for R.A.'s Track meet at Pilot May 2, State Track meet May 23 at Wake Forest University, and camp at Ronnie Jones Farm on May 8 and 9. Barry Jones of the Pilot church had received the five service awards which was outstanding.

Mrs. Nan Jones reported 30 women attended the convention in Charlotte. April 6 would be W.M.U. Associational meeting at Sandy Creek.

The need for an addressing machine was presented for thought. No action was taken.

A meeting was held with Mr. Richard Morgan March 16 to discuss a deacon organization which had been brought before the Executive Committee in a prior meeting. They offered five things as the purpose of the organization: 1) ways to improve deacon ministry, 2) ways to improve pastor/deacon relationship, 3) ways to increase cooperation between churches by sharing ideas, 4) managing pastor-church relationships, 5) role of deacon when church is without pastor.

They had discussed this with the State Convention finding that this would be a first, that they had not had such as this in the state.

The moderator reported that Tar River Association was in the top ten in the state in terms of good Vacation Bible Schools.

He reported baptisms were up 32% over last year.

The moderator appointed Rev. David Mills to be Associational music director through April when the Nominating Committee would fill the vacancy left by Rev. Jerry Benfield who moved.

The moderator appointed Mr. James Payne as "People Search Committee" for the simultaneous revivals in 1982.

Before these revivals there will be a parade in Greensboro. The moderator appointed Barry Jones to be Associational flag bearer for Tar River. He will carry a 3 X 5 flag made of broadcloth and hemmed by someone in the Association.

Dr. W.R. McCollum reported that for the first time since he had been here, all churches have pastors at the same time now that Peachtree and Corinth had called pastors.

Respectfully submitted,
Mrs. Willis R. Warren, Clerk

MISSIONS COMMITTEE REPORT

Since our fall annual meeting, we have met twice in our Associational office. Our 1986 World Missions Conference, plus some immediate goals for the Tar River Association were discussed. Jack Sammons reported on how the Sunday School Assist Team program was working out and stated that good progress was being made in this program.

Our committee is now discussing the need for renovating the Association office and replacing some badly worn equipment. We are also discussing the possibility of a retirement home for Tar River Baptists in this area. The committee approved the program for the annual spring meeting and adopted the theme of "Teaching to Win." Our present discussions included the possibility of changing our constitution to allow key leaders from all of our churches to attend the Executive Committee meeting. We hope to have some concrete recommendations on these matters for our Association in the near future.

Respectfully submitted,
M.W. Shaw, Chairman
Missions Committee

DIRECTOR OF MISSIONS REPORT

Our people were proud and happy when they received special recognition at the State Evangelism Conference which was held at Asheville, because Tar River Association had posted a 32% increase in baptisms. Again this year, at the Vacation Bible School Clinic, your association received a Certificate of Recognition for more than 95% participation in Vacation Bible Schools.

Our greatest needed now is for an increase in Sunday School attendance. Your new ASSIST team, led by Rev. Jack Sammons is working hard to train Sunday School teachers in any church that will invite them to do so. More church training and more visitation will turn the Sunday decrease into an increase.

As Martha and I moved toward our third anniversary as your missionaries, we want to say "thank you" to all of you who are working so hard to serve our Lord and Saviour in the Tar River Association. We hope to get to know even more of you in the year ahead as we work toward common goals in the Kingdom of God.

May God bless you all.

Respectfully submitted,
W.R. McCollum

Phillip Murray, Chairman

AUDITOR'S REPORT

I am pleased to forward to you the following Auditor's Report for the Tar River Baptist Association for the year 1980.

I have examined the records of the Tar River Baptist Association for the calendar year 1980 and find these complete in every respect.

Bank deposits and recorded receipts agree; expenditures are documented by supporting invoices with the exception of postage, which is documented by letter from Dr. McCollum to Mr. Frazier requesting amount required for postage.

The Treasurer's report itemizes the complete transactions for the year and the correct financial status as of December 31, 1980. This I believe needs no further explanation.

It has been a pleasure to have served the Association in this capacity.

Respectfully submitted,
Rose W. Loyd

THE HISTORY OF WHITE LEVEL BAPTIST CHURCH

In the Gay Nineties, the only site of learning in our area was the old one-teacher "Sally Murphy School House". It was in this school building that the first Sunday School in this area was started. Due to the growth of the Sunday School, it was moved to a bush arbor in the yard of Mr. J.C. Collins on the Red Bud-Louisburg Road.

In early 1900, a post office was established in Mr. T.H. Dickens store and a new three-room school was erected near the store. The Sunday School was held in the new school building. A revival was held and sixty-four persons were baptized in the old Ton House Mill Pond.

The Rev. John W. Sledge became interested in the community and was helpful in organizing a church assisted by George M. Duke, George W. Coppedge, and H.H. Mashburn. Eleven persons from Red Bud Baptist Church and twelve persons from Sandy Creek Baptist Church moved their membership to become the twenty-three charter members. There is still one remaining charter member living in 1981, Mr. Herbert Bartholomew. Rev. Sledge was the first pastor at a salary of $50 of which he gave back half to the church.

Later a church was built on two acres of land given by Mr. T.C. Collins, on which the present structure stands. On July 1911, the building was dedicated. Rev. Sledge suggested the church be called "White Level". The church was received into the Tar River Association in 1911.

During the past years we have had wonderful pastors and laymen to lead and guide our church.

During World War I, twenty-two men were called into the armed services, all returned home safely.

The Woman's Missionary Union was organized in 1922, with Mrs. Mamie Dickens president. In 1925, the Baptist Young People's Union was organized. During this time, the steeple and bell were added to the church.

In 1928, the WMU started a building fund and gave the first $325.00 to buy cement to make the blocks for our present building, which were made by men in the community.

On September 1, 1929, Ollie Jack Murphy was ordained to the ministry by White Level Church. He was educated at Wake Forest and Southern Seminary. He served as pastor in Tennessee and was serving as pastor of Penelope Baptist Church in Hickory, N.C. at his death on June 13, 1963.

During World War II, Rev. L.H. Hollingsworth was pastor. Fifty-six men were called to active duty, three of whom made the supreme sacrifice. Rev. Hollingsworth volunteered for service and served in the Pacific area. Rev. A.S. Lamm and Dr. Frank Lide served as interims. Services were held in the Junior Order Hall due to construction of the new building.

Mr. John Edwards served as pastor at one time, teaching school and pastor of eight other churches at the same time.

The church was finally completed, furnished, and dedicated. Mr. L.L. Gupton laid the cornerstone for the new church building at the dedication.

Rev. T.H. Steen was pastor from 1949 to 1963. During this time a new educational annex was constructed and Mr. Sal West gave a plot of land to be used as a building site for the parsonage. Rev. and Mrs. Steen were the first occupants in the parsonage in 1956.

During the church's history, White Level has been led by 18 pastors, to whom we will be eternally grateful for their leadership.

In June 1961, Douglas Mitchell was called as choir director. He organized an adult choir, a youth choir, and a children's choir. Later robes were purchased for the adult choir.

During the ministry of Rev. W.W. Porter, his only son, Stanley, died at the age of ten. He is buried in the White Level cemetery. The Porter family gave a number of hymnals to the church in Stanley's memory.

The church library is of special interest to the church with Mrs. Leona Dickens as librarian. "In Memorium Gifts" gifts have been given by the families of Mr. Allan Nelms, Mr. B.T. Dorsey, and Mr. E.G. Brewer. These "In Memorium Gifts" have been a deciding factor towards the growth of the library. Since that time, many other books have been given in memory of other church members.

A Tape Recorder Ministry was initiated in February 1972. This ministry is instrumental in carrying the worship services to shut-ins and rest homes.

As a form of ministry, White Level conducts worship services in the area rest homes each month. Sandy Creek and Burnette Homes are both included.

On June 9, 1974, White Level licensed Ronnie West to the Christian ministry.

A public address system was installed in the church building during June 1974 The system has speakers in the nursery, the educational building, the sanctuary, and special earphones in selected pews for persons hard of hearing.

Rev. Kenneth Altom resigned as pastor in 1976. The church was fortunate to have Dr. John Carlton serve as interim pastor until the church called Rev Leon Warren in 1977, who now serves as pastor.

The church paved the drive-way and walks and installed a steeple in 1977. Since that time, a recreation bus and new pews for the choir have been purchased.

In an attempt to broaden its ministry, the church has instituted the Deacon Family Ministry Program and called Randy Bridges as Youth and Educational Director during the past church Year.

THE HISTORY OF THE CASTALIA BAPTIST CHURCH

The Castalia Baptist Church was organized in 1892 by Rev. George Duke. The original church building was located on highway 58. Three other buildings have been constructed during the years at various locations.

Construction was begun on our present building on highway 58 in 1960. The church consists of a sanctuary with an educational building at the back. God blessed in a wonderful way making it possible to build the new church, beautiful and adequate and to have it paid for in just four years. There have been numerous improvements made since its original construction, and the building is now valued at $125,000.

On October 12, 1947, the church voted to build a parsonage. At the time of construction, the parsonage was valued at $3,000. Through the years, various improvements have been made on the parsonage, and its present value is $35,000.

The Woman's Missionary Society was organized at Castalia Baptist Church in 1906, and presently has mission organizations for all age groups. The W.M.S. has been diligent in keeping the church aware of its mission opportunities and has led the church to increase its financial support of missions. Our 1980 Lottie Moon Christmas Offering for Foreign Missions was $1,189.28, and our 1981 Home Missions Offering was $650.15. These are the largest mission offerings ever given at Castalia Baptist Church.

The church has been blessed with many dedicated pastors since its organization. Some of the records show that a pastor was paid $750 for half-time in 1923. We now have a full-time pastor.

Membership of the church has fluctuated during the years. The present membership is 142 resident members and 102 non-resident members.

The church has had one man to answer the call into the ministry. Rev. Harvey L. Coppedge was ordained into the ministry on August 30, 1945.

God has blessed and used this church in the community for the past 89 years in a marvelous way. Our prayer today is that He will use it in an even greater way in the future.

W.M.U. REPORT

TheWMU goal for new members was 10,000 or more for North Carolina. This gave Tar River a goal of 128 for this past year. We have worked for this goal in all different age groups. We do not at this time have an accurate count.

Five of our directors attended Mundo Vista last September for our state workshop. On September 27, we held a workshop at Hopkins Chapel with 129 present. Elsie Bass had her Baptist Women's Prayer Retreat at Centerville. She led our Baptist Women well. Thanks.

We gave twelve sets of bedspreads and towels to the Women's Correctional Center in Raleigh for Christmas.

The WMU Council meeting was held with 90% of members present. BYW was started two years ago with three members. We now have thirteen. Thanks to Elaine Lewis for a job well done. The Acteens have grown both in members and groups under the leadership of Nanette Warren. Thanks Nanette.

This was another good year for both GA's and leaders. Another wonderful camp and program of activities was held under the leadership of Miriam Barringer and Linda Hicks. We commend them and all others who helped.

The Mission Friends under the leadership of Sandra Hough also had a good year with much activity. It's a joy to watch our youngest group at work in our Association.

With all this work in our Association, we were able to achieve the Distinguished Award for our WMU. We were awarded a certificate and also were recognized at the State WMU Convention in Charlotte in March. We had 28 WMU members and leaders to attend.

For all the blessings and a wonderful year, we thank God. To all members of Tar River WMU, I want to thank you for a job well done.

Respectfully submitted,
Mrs. Halcy Davis, Director

SUNDAY SCHOOL AND V.B.S.

"Back to Basics!!" That is the word for where we are going in Sunday School across our convention and its is where we want to go here in Tar River. Sunday School is central in the mission task of the church. Somehow we seem to have forgotten that fact. We must, in the power and by the power of the Holy Spirit, turn the slide in Sunday School around. We cannot allow the main teaching and reaching arm of the church to become as weak and inefective as we have here in Tar River. Two things must occur if this turn-around is going to take place. First, we must improve the quality inside our Sunday Schools and second, we must improve the outreach outside our Sunday Schools. The task of the Sunday School can be simply stated as teaching the Bible to win the lost and develop the saved. Winning the lost must involve outreach and developing the saved must involve quality within the Sunday School.

All of this then is the basis for what we are trying to do in the Sunday Schools of Tar River.

We have held several associational-wide conferences that have been opportunities for improvement through training in this last year. Three of these have been the Sunday School Leadership Conference for all General Officers and Teachers held at Flat Rock last September: the Vacation Bible School Clinic for all V.B.S. workers and teachers held at Castalia in May, and the Key Leadership Conference for Sunday School Directors and People Search Leaders held at Union Chapel and Red Bud in August. In addition to these, our ASSIST Team has conducted individual Sunday School training in several of our churches on a one-on-one level. We have an excellent team of highly trained and qualified leaders in every area of Sunday School work for each age group. The team has received training in several conferences across the state in this last year. We need more invitations to come to churches.

Our Association was recognized as one of the top ten in the state in having the highest per cent of churches holding a Vacation Bible School.

We are looking forward to working together in Sunday School and Vacation Bible School work in the 1981-82 church year.

Respectfully submitted,
Jack Sammons, Director

CHURCH TRAINING REPORT

For the coming year, emphasis of the Church Training program in the Association is being directed toward the following:

1. Encouraging each church to elect a church training director to coordinate all training activities of the church.
2. Helping churches start Bible drill programs for children and youth.
3. Making churches grow in church training activities by encouraging them to participate in various equipping center programs.
4. Continuing to emphasize good record keeping and record reporting of all church training activities.

The 1980 church training statistical table of the Tar River Association shows fewer zeros than the same table of a year ago. Also, ten churches reported same table of a year ago. Also, ten churches reported same church training activities—even though we have only three church training directors. This shows improvement in reporting over recent years.

Every church in Tar River Baptist Association has a church training program of sorts. Let's give someone the responsibility for carrying it out in your church.

Please call on me if I can help in any way.

Respectfully submitted,
Seth L. Washburn, Director

BROTHERHOOD

The Brotherhood Organization of the Tar River Baptist Association shared in several events this past year.

The Association Pastor/Deacon Supper was held on March 16 at the Ephesus Baptist Church. Special music was provided by Orval Phillips, a layman from Pilot Baptist Church. Mr. Joe Lennon of Warrenton, N.C., a layman actively involved in Lay Evangelism in the Brotherhood Department of the State Convention, brought the evening message.

The Associational RA Track Meet was held on May 2 at the Pilot Baptist Church with about 80 people participating in this event. The Association was also represented at the State Track Meet held at the Wake Forest University. An Associational RA Campout was held on May 8 and 9. These events were under the direction of Rev. Joe Allen, the Associational RA leader.

A Brotherhood Workshop was held on August 17 and 18 at the Union Chapel and Red Bud Baptist Churches.

EVANGELISM

This years key evangelistic emphasis will be our 1982 "Joint Evangelistic Crusade" to be held March 14-28, 1982. At this time, the "Here's Hope" campaign, as it is called, will be in operation via simultaneous revivals being held by every local church in both the Baptist State Convention of N.C. and the General Baptist Convention of N.C. These revivals will be greatly promoted over every Mass Media available such as television, radio, newspaper, and billboards, using the "Here's Hope" theme. Every church should take advantage of this promotion and hold revival services during March 14-28, 1982. The purpose of "Here's Hope" is to organize the local church to **Pray for the Lost, Learn to Witness to the Lost, Find out who the Lost are, Go out and Witness to them,** and to **Disciple the New Converts.** If your church is not involved in the "Here's Hope" campaign and would like more information you can contact me.

Another area of evangelism open to Tar River Baptist churches is "Lay Evangelism Schools" that can be taught in your own church by your own people. This school seeks to equip and train your church for witnessing to the lost. This school involves a layman or a pastor to go to a four-hour training session. This training session will equip that person to return to their church and present the "Lay Evangelism School." Anyone interested can contact me.

God's love is shown most clearly in His giving of His only begotten Son for sinners. Those of us who are saved by that Grace of God can show our love for him by being witnesses of His Saving Grace. Evangelism seeks to point others to Christ. We are evangelists in that our lives should reflect our belief in Christ, the Living Lord of our lives.

David Mills, Director

EXECUTIVE COMMITTEE

The Executive Committee of the Tar River Baptist Association has met twice at the Duke Memorial Church since the Spring meeting. Each time at 7:30 p.m.

June 15, 1981

Thirty-seven from eighteen churches were present.

Dr. W.R. McCollum presented a film from the National Prayer Congress, which was available for use by your church or group of churches.

Rev. John Attaway, Associational Prayer chairman, asked that a prayer leader from each church be appointed. He would lead a training session for them at the Leadership Conferences.

The treasurer's report showed a balance, April 30, 1981, of $7,084.43.

A motion to accept a recommendation from the Missions Committee to change the Week of Prayer for the Associational from August 9-16 to August 17-23 was passed.

A motion was passed to take a collection in the churches during the Week of Prayer for the Association to purchase equipment for the Association office.

The trustees recommended the insurance on the missionary's home be increased from $60,000.00 to $65,000.00 and be transfered to the Farm Bureau Insurance Company. Their figures showed $150.00 savings over a period of three years. The recommendation was adopted.

Mr. Seth Washburn encouraged the churches to send training leaders to the Leadership conferences, pointing out that church training includes study courses, or any study to help our members be better members.

Dr. W.R. McCollum presented a printed report of his activities for the quarter and stated seven good things our Association does and twelve needs in our Association. The seven good things were: better flow of information between the churches, stronger denominational identification, stronger inter-church fellowship, better participation in world missions, pastoral support and counseling. There are need-oriented programs for the churches, and the Association helps build stronger churches.

The twelve needs that should be prayer concerns were better communication through more newsletters, better equipment, more space, a united effort to reach our lost neighbors, an accurate census in every church field, better trained workers, a counseling center, a radio program, some new missions, every church giving 3% to Associational missions monthly, a retirement home for the aged and a more effective pastors' conference.

Dr. McCollum reported for the History Committee that the work was progressing well.

The Key Leadership Conferences were announced for August 17 at Union Chapel and August 18 at Red Bud from 7:30 to 9:30 p.m.

September 28, 1981

Fifty-four were present representing twenty-three churches.

The treasurer's report showed a balance on hand of $7,283.81.

Dr. Ray Pruette, moderator, reported at this time $2,265.00 had been received from the churches who took offerings during the Week of Prayer for Associational Missions for office equipment.

Dr. McCollum reported an addressograph machine with 1000 cards included would cost $1,950.00. A motion by Rev. Charles Hayes to purchase the addresser machine was passed.

The moderator described the flag to be carried by Barry Jones representing the Tar River Association in the parade at the meeting of the Baptist State Convention at Greensboro. The flag was being prepared by someone in the Pilot community.

The moderator reported the Key Leadership Conferences were successful.

The proposed budget from the Finance Committee was adopted to present to the Association.

The moderator asked that Rev. Jack Sammons and Rev. Joe Allen be presented certificates of appreciation at the annual meeting of the Association. A motion was passed to present these.

Mr. Richard Morgan, History Committee chairman, presented the names of those who were writing the history of the Tar River Association from 1922 through 1981.

Rev. John Attaway reported eleven churches had elected prayer leaders which is a new office in the Association and churches. He is asking that every church elect one.

Mrs. Sandra Wood, in her work as music director, says eleven zones are organized in the Association.

A motion was passed to accept the tentative Calendar of Events for 1982 from the Missions Committee.

Dr. W.R. McCollum reported the State Convention was providing $2,125.00 to the Association, designating $1,200.00 for missionary's travel and $1,000.00 for secretarial help.

Dr. Ray Pruette announced his two years was ending as moderator, this being his last meeting with the Executive Committee. He described it as his labor of love.

The group stood as an expression of thanks to Dr. Pruette and joined hands for a closing prayer by Dr. McCollum.

Respectfully submitted,
Mrs. Willis R. Warren, Clerk

CHRISTIAN EDUCATION COMMITTEE

This committee is responsible for the Association's seminary extension, church libraries, and Baptist colleges in North Carolina.

Seminary Extension offers courses in the Association each year which are taught by qualified local people. These courses carry college credit and cost less than $25.00 per course. Courses are available because of the support of the Southern Baptist Convention. These courses are not related to the Southeastern Seminary at Wake Forest. Churches or individuals are asked to contact the Associational office regarding courses in any areas of study that you would like provided.

It is the hope of the committee that every church in the Association will eventually have a viable expanding library for its members. In no area of Christian education are we more lacking than in reading good Christian oriented books. We, as Christian, need to read and learn to think for ourselves and not accept every opinion as gospel because someone made the comment on television or radio. Mrs. Leona Dickens and Mrs. Martha McCollum taught a class this past church year at our Key Leadership Conference, in library science, and as a result, many churches are beginning libraries.

North Carolina Baptists have enriched this state over the past years with educational opportunities through seven Baptist colleges. Today, many of these colleges have grown into universities. Twenty-two percent of the Cooperative Program goes to support these colleges and universities. Baptist students, divinity and Christian education students receive $250.00-$500.00 scholarships from some of these institutions. Campbell University and Chowan College in this area of our state offer these scholarships. Last year, Campbell University had 143 divinity students and 61 students in religious education. Chowan College had four divinity students and 13 Christian education students. Meredith College had 85 in Christian Education.

MEMORIAL SERVICE

Two strangers, a small boy, and an older man, were fishing from the banks of the Mississippi River. The fish were not biting too well and by the time the sun began to set, the two had talked about many things. As the sun was beginning to hide itself in the distant horizon, a large river boat was seen moving slowly up the river. When the boy saw the boat, he began to wave his arms and shout, that he might attract the attention of those on the boat.

The older man said to the young boy, "Son, you are foolish if you think that boat is going to stop for you. It is on its way to some unknown place and it surely will not stop for a small boy like you."

To the man's surprise, the boat came near enough to the shore that a gang plank was lowered and the boy entered the boat. He turned to his new friend and said, "I am not foolish mister; you see, my father is captain of this boat and we are going to a new home up the river."

Life is like that. There are times when death makes an unscheduled stop along the river of life and to our surprise, picks up a passenger. Of only one thing we can be confident, "Our Father is captain of the boat, and it is headed for a New Home."

Our friends and loved ones have already taken up residence in their new home. We mourn their passing, but we sorrow not as others who have no hope.

TRUSTEES REPORT

Your trustees have replaced the water pump in the missionary's home this year. They covered the garage door with plastic last winter in order to make the work area more comfortable. They recommended switching the insurance on your property to another company at a savings of about $150.00 over a three-year period.

A special offering during the Associational Week of Prayer has enabled Tar River to replace a worn-out addressograph machine. Much more is still needed. Your office still needs a new typewriter and several pieces of audio-visual aid equipment. We also need more office space. Most of the office work is done in the garage which is very uncomfortable in the winter months. We will continue to work on this problem and report to you of the progress made at the next meeting.

Respectfully submitted,
Q.S. Leonard, chairman

History of Corinth Baptist Church

The history of Corinth Baptist Church dates back to 1785, but the congregation has changed names and locations several times. In 1785 the church was known as Toole's Meeting House. Sometime later the name was changed to Crocker's Chapel. When the congregation moved to a location between Rocky Ford and Ingleside, the name became Haywood Meeting House, later to be named Haywood Baptist Church.

Following the Civil War, Brother Peter Dement gave the land for the present site. The old Haywood church property was sold to the black Baptists in the community, who started a church of their own. Today, they continue under the name of Haywood Baptist Church.

Several buildings have been erected on the present church property. The name Corinth was chosen when the congregation moved into the first building on this site. This building was soon outgrown and a new larger frame one was built close by in 1911 or 1912. That building was destroyed by fire in 1925. The dedicated members of Corinth went to work rebuilding and the present building stands as a memorial to their labors.

Other physical improvements have been made in recent years. Following World War II, under the leadership of Rev. Jack Wilder, a central heating system was installed and improvements made on the church grounds. A unified church budget was also adopted. During the ministry of Rev. Gilbert Mister, the Sunday School annex on the left side of the sanctuary was built and paid for and a Hammond organ was purchased. Rev. Jesse Parker led in the starting of a Building Fund for a parsonage. Mr. George Fuller gave a plot of land in the Moulton community and in 1963 the present parsonage was built. The first family to live in the new parsonage was that of Rev. Billy Martin. On January 3, 1965, he led in the noteburning for the $15,000 parsonage, leaving the church debt free.

In the fall of 1965, the 135th annual session of the Tar River Baptist Association met at Corinth with Mountain Grove Church as co-host.

In October 1973, a new educational building was built on the right of the sanctuary. It consisted of four Sunday School rooms, a bathroom, and a basement kitchen. This was

done under the leadership of Rev. Mackie K. Bozen, Jr., Wall to wall carpeting was installed in the sanctuary and pulpit area of the church in 1978.

In 1979 Betty Campbell was hired as the first minister of youth and music at Corinth. She served until 1981. From 1982-84, Nathan Ferrell served as minister of youth and music.

In 1982 the church became owner of a house through the will of Mr. Lonnie Inscoe, a long-time member and leader in the church. This house is being used as the home of the minister of youth and music.

Cushions on the seats and backs of the pews were installed in 1982. These were paid for mainly by memorial contributions for George Fuller, a member, deacon, and Sunday School teacher at Corinth.

Ties with the Tar River Association go back many years. In 1849 and 1871, the annual meeting was held with the Haywood Baptist Church. The first meeting with Corinth was in 1901. In 1936 the association again met at Corinth and Rev. John Edwards, having been ordained by Corinth, preached the association sermon. Mention has been made of the association meeting in 1965 and Corinth and Hickory Rock are co-hosts in 1984.

Corinth can be proud of their 200-year-old history as they celebrate in 1985 and can truly say, "To God be the glory, great things he hath done." We also look to the future as we say, "Lead on, O King eternal."

History of Hickory Rock Baptist Church

On August 1, 1915, a meeting was held at Hickory Rock Academy for the purpose of organizing a missionary Baptist church. Rev. George Duke presided over the meeting, Mr. G.B. West acted as clerk, and Rev. J.H. Harper as reading clerk. Church services were held in the Hickory Rock Academy until a new building could be constructed. Rev. George Duke was called as the first pastor.

In the fall of 1915, a new building was begun. Under the leadership of Mr. W.J. Dennis, Mr. R.D. Williams, Mr. E.H. Gupton, and great cooperation from the 17 charter members, the building was completed in the spring of 1916.

The charter members were as follows: Mr. W.J. Dennis, Mrs. W.J. Dennis, Mr. J.H. Joyner, Mrs. J.H. Joyner, Mr. A.B. Inscoe, Mr. J.R. Inscoe, Mrs. J.R. Inscoe, Mr. R.H. Bobbitt, Mrs. Cora Bobbitt, Mr. J.R. Joyner, Mr. E.H. Gupton, Mrs. E.H. Gupton, Mr. Asbury Dennis, Mr. Frank Dennis, Miss Mary Dennis, Mr. Jake Dennis, and Mrs. O.B. Ball. The first deacons of the newly founded church were Mr. W.J. Dennis and Mr. J.R. Joyner, while Mr. A.B. Inscoe became the first church clerk.

Under the leadership of Rev. John Edwards, the church added a new wing for Sunday School rooms. During the next few years and under the leadership of Pastor Jack Roe, the church made plans for renovations and these plans were carried out during the time Rev. Wiley Guthrie was pastor. Six Sunday School rooms were added and the church was bricked. A heating plant was installed and an organ purchased. Soon afterward, a new piano was added, the sanctuary received a new carpet, and a front porch was built.

With Rev. Henry C. Green, Jr. serving as pastor, groundbreaking for a new education building took place in the fall of 1962. This building became a reality the next year. During the fall of 1966, a new heating and air conditioning plant was installed in the church sanctuary.

In 1969 the church built a parsonage, which was first occupied by Rev. Clay Cook and his family. We have continued to make progress under the leadership of Rev. Jimmy Harrington. Under the leadership of Rev. Jack Sammons, central air conditioning was installed in both the parsonage and the educational building, and in 1976, the church constructed a fellowship building. With the Rev. Jerry Bryant as pastor, the church started a puppet ministry in 1979. The church presented the pastor and family of Hickory Rock Church, a permanent membership to Town and Country Recreation Center on Route 2, Louisburg, through a memorial fund in memory of Mrs. Lula Smith and installed new lighting in the church in memory of Mr. Horace Duke in 1980. Rev. Everett L. Rumley, Jr. was called as pastor in 1981. The church cushioned the pews of the sanctuary, covered floor in fellowship building, and recovered the roof over the educational building in 1982. The church also added a circular paved drive in memory of Mr. Kirby Parrish in 1983.

God has richly blessed the people and pastors of Hickory Rock through the years. The people have maintained a vital ministry to student pastors, cultivated a warm fellowship, and continued to seek Christian growth in terms of quality and quantity. This past year, the church called Richard Cato as pastor. The church also has engaged in a community outreach program to minister to the single member families in the community.

Respectfully submitted,
Richard Cato, Pastor

Homes for the Aging

North Carolina Baptist Homes Incorporated became known as Baptist Retirement Homes of North Carolina, Incorporated on January 1, 1984. This change in name seems to be a more specific name for the ministry of the homes.

A Capital Funds Campaign to raise $2,500,000 is in progress for constructing new support facilities for the Nursing Care Unit of the Homes in Winston-Salem and renovations that will provide 10 additional nursing beds and a new kitchen. Among the new facilities will be a physical therapy room, a patient dining room, and a doctor's examining and medical treatment room. Patients from all five of our Baptist Homes are transferred to the Nursing Unit for either Intermediate Nursing Care, or Skilled Nursing Care, and will benefit from the new proposed facilities. The 10 nursing beds that were referred to and that will become available, do not involve new construction, but will be a conversion of retirement home beds to intermediate care beds and will give us a total of 85 nursing beds in our Nursing Unit.

President Bill Poole relates, "We are very grateful always for the gifts that come to us from our Baptist churches through the Cooperative Program and the North Carolina Missions Offering." Although these gifts increased over last year, the Homes spent $306,000 over the amount given. Sixty percent of the residents in the Homes and 90% of the patients in the Nursing Unit of the Homes needed financial assistance.

We believe that our heritage is a good one in our Baptist Homes. Our mission is a challenging one always -- to care for older persons in our keeping, and those who will come, as if it were a ministry as unto Christ Himself. Our *future* is as bright as the promise of God Himself, and the love of North Carolina Baptists to provide on a deeper level of commitment, love and concern for those dear older people who have contributed so much to mankind, and to the Kingdom of God!

North Carolina Baptist Hospital

In order that our churches might be better informed about the history of our Baptist Hospital and the scope of its work, I am including in this report the following background information provided by the Baptist Hospital on the medical center:

The Bomwan Gray School of Medicine and North Carolina Baptist Hospital together comprise one of 124 academic medical centers in the United States. Programs of the medical school and hospital are interwoven to provide patient care, teaching research, and community service of the highest professional quality.

The Bowman Gray School of Medicine is a continuation and expansion of the two-year Wake Forest College Medical School which was founded in 1902. North Carolina Baptist Hospital opened its doors to patients in 1923.

The Medical Center was born in 1941 when the medical school was expanded to a four-year institution and was moved from Wake County to Winston-Salem, to its present site adjacent to Baptist Hospital. The hospital became the main clinical teaching facility for the school and the members of the medical school faculty joined the medical staff of the hospital.

As the focal point for health care in the region, the Medical Center has the facilities, the personnel and the experience to handle the difficult, obscure and unusual types of medical problems.

The Medical Center presently has 657 patient beds, including a 30-bed intensive care unit, a 14-bed cardiac care unit, a 25-bed intensive care nursery, a 43-bed progressive care unit, and a 38-bed rehabilitation unit. Personnel at the Medical Center number more than 4,000.

As an academic medical center, the Bowman Gray School of Medicine and North Carolina Baptist Hospital foster extensive research in all facets of illness and health, all aimed toward improving the ability to prevent disease and to diagnose and treat it more effectively when it does occur.

Through its programs of patient care, teaching and research, the Medical Center exerts its influence locally, regionally, nationally, and internationally.

North Carolina Baptist Children's Home

A NEW PRESIDENT

Dr. Michael C. Blackwell became president of the Baptist Children's Homes of North Carolina on July 1, 1983. President Blackwell comes to us with a proven record as a resourceful and distinguished leader. President Blackwell has already commenced working diligently and in a highly exemplary manner.

ACCOMPLISHMENTS

During the year 1983, the lives of 5,069 persons were affected in a significant way by the services of the North Carolina Baptist Children's Homes. These homes provided care for 1,578 children during the year. Counseling services were provided for many individuals and 1,366 adults were enrolled in family education and parenting workshops. There was also a close working relationship maintained with more than 2,000 adults such as relatives, custodians and guardians of the children.

SERVICES PROVIDED

The services provided by the Baptist Children's Homes of North Carolina are emergency care, maternity care, social work services, foster home services, therapeutic family services, group living in campus homes, college and technical education, and care for children with specialized needs.

Total expenditures for the year ending September 30, 1983 were $6,177,062. This is a large sum of money, but when you break it down to the number of children served, it comes to $3,914.49 per child served. A step further, it comes to $1,553.98 per families, individuals, and children served.

Child care trends mirror society's pressure points in the social care area. Approximately 60% of the families receiving a service from the Baptist Children's homes have been involved in court action resulting in the change in legal custody. Over two-thirds of the children needing placements are teenagers. Seventy-five percent of the children in care have both parents living and only 3% are full orphans. Disruptive family relationships require intense helping services to enable the family to improve its way of coping with day to day stress.

FUTURE PLANS

Plans are being made for the Children's Homes to observe the 100th anniversary of its founding in 1985. Plans are also projected to increase the number of children in daily care and an additional 900-1,000 children will be served annually by 1985. Underlying all that is spent and done in this ministry is the conviction that each homeless and neglected child deserves the opportunity to be housed and cared for and given spiritual guidance. Used in this manner, every dollar is money well spent.

Bill Spruill, Representative

Missions Committee Report

Your Missions Committee has met twice since the fall associational meeting, on November 28 and March 12. In the November meeting, we discussed the Evangelism Conference to be held in February. The Sunday School Enlargement Campaign plans and Tar River WMU work were also looked at. The January Music Workshop at Louisburg Baptist was highlighted, and a calendar conflict between the World Missions Conference and simultaneous revivals for 1986 was resolved by a recommendation to

move the 1986 World Missions Conference to 1987. This was later approved by the Executive Committee. We also recommended that the association purchase a Bell and Howell movie projector, an electric stapler, and a Canon Personal Copier. All were approved in the December Executive Committee meeting.

In the March meeting, we considered the program for today's annual meeting and approved it. We heard reports concerning the financial health of our association, the study regarding an associational campground, missions work at Lake Royalle, plans concerning the RA Track Meet and Vacation Bible School, and an update on the Sunday School Enlargement Campaign. We discussed the need for a sponsor in each church to highlight the Associational Week of Prayer, and to encourage support of missions giving to the association. We also approved a recommendation to the Executive Committee that Rev. Jesse Mooney be awarded a certificate of appreciation for his faithful service to Tar River Association.

Faithfulness certainly is the key word as we face "The Challenge of Tomorrow." Ours is a difficult age in which to be an ambassador for Christ! Truly the need is great, but the workers are few. In a land where 58% of Americans are unchurched and three out of four church members are absent on any given Sunday, and yet we consider ourselves a "Christian" nation, we need to work with renewed commitment to the Lord whose faithfulness, forgiveness, and fellowship is our reason for being. Your Missions Committee needs your prayer support and involvement as we seek to claim our tomorrows for Christ.

John Attaway III

Director of Missions Report

The first half of 1984 has been filled with many blessings. A large crowd was present for "M" Night at Castalia, the Evangelism Clinic at Bunn, the Music School at Louisburg, the Pastor/Deacons' banquet at Pearce, and the Youth Rally at Pilot. Your entire association received the benefit of the Sunday School Enlargement Campaign as hundreds of Tar River Baptists from 15 of our churches knocked on doors to witness for Christ.

Your secretary is now printing approximately 100,000 pieces of material a year. This includes your newsletters, letters to the pastors and church key leaders, Book of Reports, and replies to various Southern Baptist agencies that are constantly asking for information and help. This is in addition to answering the phone, keeping valuable records, filing, and other office work This frees your missionary to spend many extra hours in counseling, preaching, teaching, administrative work, soul winning, and visitation for your association.

Our greatest strength is the Christian love that has enabled our churches to worship and work together for 154 years. Our greatest need is for a visitation program in every church that will reach out every week to thousands of lost and unchurched people in every community.

Martha and I thank God for every remembrance of you as we continue to work together as 43 churches in fellowship, on mission in our setting. May God bless each and everyone of you as we praise the Lord in the Tar River Baptist Association.

Relief and Annuity Report

The Annuity Program, administered by the Southern Baptist Convention, had total assets as of December 31, 1983 of $1,251,643,084.

The Tar River Association reports that as of December 3, 1983, 34 of 43 churches and the associational director participate in the Southern Baptist Annuity Program. For reference, the Annuity Program title is comprehensive and includes the total Relief, Retirement and Insurance Programs. Contributions by churches are recommended to be a minimum of $400 up to 10% of the pastor's salary. The degree of participation by the Tar River associational churches depends upon individual church budgeting decisions. Currently the maximum proposed benefit to a retiree at age 65 would be $1,500 yearly if the contribution is 10% of salary. A scale of benefits is provided.

Churches are encouraged to study and evaluate the Annuity Program, Social Security, Disability and other fringe benefits to the advantage of both the church and the pastor since long-range benefits will enhance pastor performance and church growth.

Many changes have occured recently regarding Social Security payments and benefits. Churches are encouraged to know the law and give consideration to their budget to adequately cover the pastor and church employees.

The Southern Baptist Annuity Board released the following 1983 statistical data:

- Paid retirement benefits $31,802,151
- 440 new churches enlisted in the basic plan
- 2,849 new pastors and employees enrolled in the retirement plan
- 3,896 new individual insurance accounts
- 37 new churches in insurance program
- 13th check sent again this year to those who retired before 1980. Those retiring after 1980 had the percentage built into their benefits.

The Tar River Association recognized the importance and necessity for pastors to participate in the Southern Baptist Annuity Program. Further, that individual church leaders take active leadership roles in church budgeting to incorporate funding for these programs. The church has a responsibility for long-range growth and planning for the total church program including the welfare of the pastor.

Auditor's Report

I am pleased to forward to you the following Auditor's Report for the Tar River Association for the year 1983.

I have examined the records of the Tar River Association for the calendar year 1983 and find these complete in every respect.

Bank deposits and recorded receipts agree; expenditures are documented by supporting invoices.

The Treasurer's Report itemizes the complete transactions for the year and the correct financial status as of December 31, 1983. This, I believe, needs no further explanation.

It has been a pleasure to have served the association in this capacity.

Respectfully submitted,
Mrs. Rose W. Loyd, Auditor

History of Union Hope Baptist Church

In the early 1900s, Union Hope School was the hub of the community as children learned to read and write during the week and learned about spiritual matters on Sunday.

In 1936 members of the community purchased the old school building from the county for $75.00 for the purpose of organizing a Baptist church. Through efforts of local people and other various churches nearby, a council was organized and the procedure of enrolling 26 charter members was begun. It was unanimous that "Union Hope Baptist Church" would be the name of the organization. Services were held each third Sunday afternoon. In September 1936 Rev. Theo Davis was asked to preach and a collection of $2.58 was given to him. In December 1936 Rev. Davis was elected the first pastor of Union Hope Baptist Church. The first baptismal service was held at Driver's pond on July 25, 1937, with a total of 27 persons being baptized. After Rev. Davis resigned in December 1940, Rev. J.N. Stancil was called and served as pastor for the next 10 years.

In 1949 the church had grown in membership from 26 to 186, and the church voted to have services twice each month. Rev. Dale Davis was called as pastor following Rev. Stancil and services were held the second and fourth Sundays of each month. In February 1952 the church added two classrooms to the existing church. Rev. Davis resigned as pastor in July 1954 and in November the church voted unanimously to call Rev. Roy J. Smith. It was at this time that the church began having services each Sunday morning and each Wednesday night. It was during the year 1955 that the church parsonage was built. Rev. Smith continued as pastor until Februray 1957. We would like to note here that Rev. Smith is now acting secretary and general treasurer of the Baptist State Convention. Not only are we proud of his accomplishments, but thankful that this church had an opportunity to be a part of his life. It was shortly after Rev. Smith left

that Rev. J. Groce Robinson as called as pastor and remained until November 1958. Rev. Carroll A. Veatch accepted the church's call to become pastor. It was under Rev. Veatch's leadership that the church constructed the educational building behind the sanctuary. Rev. Veatch resigned in September 1962 and was later appointed missionary to the Bahamas.

Rev. Walter Mayes succeeded Rev. Veatch in November 1962 and remained until September 1964. In November 1964 the church called Rev. Joe W. Chandler to be its pastor, and he remained at the church until June 1968. In August 1968 Rev. Kenneth Childers came to serve as pastor and remained until 1971. He and his wife were later appointed missionaries to Costa Rica. Rev. Stewart A. Smith was called in May 1971 and served only three months. On September 1, 1971, Rev. Larry Vickery from Seneca, South Carolina was extended the call. It was also in September that the old frame church was taken down to make way for a new sanctuary. During the time the new sanctuary was being built, worship services were held in the education building basement. Actual construction started on December 1, 1971 and was completed on May 5, 1972. The first services were held on Mother's Day, May 14, 1972. Dedication services were held on Sunday, July 1, 1972, with Rev. Roy Smith, who was the first full-time student pastor to serve the church, as guest speaker. Shortly thereafter, the Young Peoples' Class raised money to buy and erect a steeple to the church.

Rev. Vickery resigned as pastor in January 1974 and he and his wife, Lillian, were appointed missionaries and are presently in North Dakota. The church extended a call to Rev. Rex Bell.

The Building Committee had left enough space under the sanctuary for a basement and the men set out to dig out the existing basement in the educational building. A new basement was completed and was named the James R. Tant Fellowship Hall in memory of Jimmy Tant, a church member, who lost his life in a plane crash in Bolivia.

The Young Adult Class organized and completed the organ fund-raising project. An Allen organ was purchased and played for the first time on September 7, 1974.

The Annual Fall Tar River Baptist Associational Meeting was held at the church in October 1974. This was the first such meeting to be held at this church in its history. During October 1975, the church's Constitution and Bylaws were read, discussed and adopted.

Rev. W. Rex Bell resigned effective December 1975 and the church extended the call to Rev. Gary Rickman from Waterboro, Tennessee.

The church sponsored its first church bazaar "Super Saturday" in November 1977. A net amount of $3,000 was and made the building fund debt was paid off and a note-burning service was held in May 1978.

Rev. Rickman resigned in September 1978 and Rev. Timothy Racz was extended a call on December 1, 1978.

In February 1979, the church voted to build an addition to the parsonage (two bedrooms, bath and study), and minor renovations to the existing kitchen and living room. The church held its second bazaar in November of the same year and a net amount of $5,000 was made.

Rev. Racz resigned in May 1981 and Rev. Bob Watson was called as interim pastor. He remained as interim until November 1981, at which time the church voted to call a full-time pastor -- a first for Union Hope Baptist Church. All previous pastors had been part-time or student pastors. Rev. Frank Hollifield of Ahoskie was called as full-time pastor on November 29, 1981, and began his pastorate on January 1, 1982.

A note-burning ceremony was held on the parsonage grounds on January 24, 1982. This retired the debt on the parsonage addition.

A tape ministry for shut-ins was begun in March 1982. A third Super Saturday Bazaar was held in November 1982 and netted a total of $8,000.

The church purchased an additional acre of land adjacent to the church property in 1983.

At present, the church has a total of 247 members. Blessings continue to flow on this church and community -- for this we give God all the thanks, the praise and the glory.

History of Social Plains Baptist Church

Social Plains Baptist Church, Route 5, Zebulon, North Carolina, was organized in 1883 with 12 charter members: Keuser, Calvin, Sidney, Bryant, John, Martha, Jane E., Mary A., and Lucy Alford; Phinuhus and Nancy Puckett, and S.B. Bunn.

The Hagwood family gave the land for the church to build on. Church services were held on Saturday until 1921, when the membership had grown to 34, and a yearly budget to $65.00. In 1935 the membership was 60 and the pastor's salary was $30.29. The first missions offering was given this year.

In 1936 the church lost a number of members to the newly organized Union Hope Baptist Church. The next three years it looked as if the church would be disbanded, but the leadership of Pastor Julius Holloway helped the church stage a comeback in 1939. In 1940 the pastor's salary was increased to $75.00 a year, and missions giving was increased. In 1950 a building fund was started with a $500.00 budget. Under the leadership of Mrs. Rossie Jones, a WMU was organized on May 10, 1953 with 12 members.

In 1955 work was begun on the new church building. Materials and labor were donated by members and friends of the church. The sanctuary was completed in 1956 at a cost of $6,050.00. The first service in the new building was held on Easter Sunday, April 8, 1956. The foundation for the educational building was laid on March 20, 1957. In 1958 the church borrowed money for the first time in its history to install the heating system and complete the educational building. The old church building was remodeled and turned into a community building in 1964. A fiberglass baptistry was installed in 1966.

The first GA Coronation Service was held in March 1967. Choir robes and an organ were also purchased that year. The pastorium was begun in September 1969 and completed in November 1972 at a cost of $15,697. In 1974 an addition was built on the community building and two bathrooms added. The church building was air conditioned in 1971. Four new classrooms were added to the church in 1981.

In October 1982, the church licensed its first candidate for the ministry, Charles Smith. The present total membership is 176. The budget for 1983-84 is $21,390 with 10% of all income going to Cooperative Program and 3% to associational missions. Total value of church property is $180,000.00.

WMU Report

The work of Woman's Missionary Union of Tar River is conducted by approximately 1,600 members in 148 organizations of Mission Friends, Girls in Action, Acteens, Baptist Young Women, and Baptist Women. This is definitely a growth in every area from last year. We are grateful to our fine leadership for their hard work so that Tar River has experienced growth in the last year.

The purpose of all the age-level organizations is to study missions, engage in missions and personal witnessing, and to support missions through prayer and giving.

Tar River WMU is governed by an Executive Committee of 11. These members were trained through our state workshop last August in order to train our local church leadership in our associational workshop. Our fall workshop last year was held at Maple Springs Church with 107 leaders attending. Tar River WMU received the diploma this year for being a merit WMU.

Twenty churches in Tar River participated again this year in the statewide Correctional Center Christmas gift by giving money toward the purchase of plastic raincoats for the women at the Center. We contributed $353.30 toward this special project.

Our Annual Spring Meeting was held at Peachtree Baptist Church in April with 175 in attendance. The afternoon session featured Wayne and Peggy Dunn, missionaries to Barbados. Wayne and Peggy served as pastor of Rocky Cross Church while in seminary. It was a real treat to have them return to Tar River to share with our WMU. The night session was highlighted by a message on missions by Rev. Burke Holland, director, Chaplaincy/Language Missions Department, Baptist State Convention of North Carolina. Rev. Holland did an outstanding job in bringing us up to date on missions involvement through our WMU. This meeting is one of the highlights of the year for WMU and we are grateful to the churches who planned and prepared for this meeting.

A special thank you to all our directors and their dedication throughout the past year. Our Executive Committee is always ready to be of assistance to our churches in any way possible. We are grateful to our churches in Tar River for their support and for being what God expects us to be through WMU in our churches. Please call your committee at any time.

A special thank you for your prayers and support for the past three years that I have served as your WMU director. Mrs. Diane Trott, Union Chapel Baptist Church, is your WMU director for this year. I am sure she would appreciate your continued prayers and support as she seeks God's will in leading Tar River WMU.

Respectfully submitted,
Mrs. Nan Jones, WMU Director

Sunday School Report

"Because of the nature and mission of a church revealed in the Scriptures, and because of the centrality of the Bible in Sunday School, the Sunday School is at the heart of the mission of the church. It is central -- not a side issue; it is major -- not minor. The Sunday School is, in fact, a force of great potential impact." Harry M. Piland's words point out the importance of the relationship of the Sunday School and the mission of the church. Indeed, Tar River Association Sunday Schools are one of the most important means we have of reaching people and involving them in Bible study, helping them come to know Jesus Christ as Saviour and Lord, and involving them in a ministry of worship, witnessing, loving, caring, and growing.

Tar River Sunday Schools have been hard at work during the past year. Our Sunday School Enlargement Campaign in April was an exciting time. Fifteen of our Sunday Schools discovered many new prospects in their communities, experienced new growth, and continue working to involve people in Bible study.

The Key Leadership Meeting was held at First Baptist, Spring Hope in August. Sunday School directors reviewed the "8.5 by '85" emphasis for the 1984-85 church year. Every church, Sunday School class and individual has an important mission to involve new people in our Sunday Schools.

The Sunday School Leadership Clinic held in September at Ransdell Chapel provided training for teachers in all age groups. Model lessons were taught, while demonstrating the use of available resource kits which supplement our Southern Baptist Sunday School literature.

The Vacation Bible School Clinic held in May at Poplar Springs provided excellent training in use of VBS materials and gave inspiration to local church leaders.

Tar River Association revitalized its Associational Sunday School Improvement Support Team in September when five of its members were trained at Caraway. Team members are: Jimmy Creech, director; W.R. McCollum, senior adults; Gary Anderson, adults; Nanette Warren, youth; Tim Smiley, children; and Nan Jones, preschool. Alternate team members provide the ASSISTeam flexibility. The ASSISTeam is available to assist churches on an individual or group basis.

Sunday School in Tar River is exciting because each one of us is called to a mission to study, teach, visit, witness, and minister. God bless Tar River Sunday Schools as we continue to do our part in carrying out Christ's Great Commission!

Jimmy Creech, Director

Church Training Report

Church Training is the organization assigned the task of helping church members, new church members, and church leaders (also potential leaders) grow in their Christian discipleship. The Church Training program does not compete with other church programs, but when properly administered, enhances the total work of the church.

The Church Training Program has responsibility for teaching in five major content areas. These are: Christian Doctrine, Christian Ethics, Christian History, Church Polity and Organization, and skill development (in performing the function of a New Testament church).

During this past year Church Training in our association:

1) sent Jack R. Burnette to the Key Leadership Conference at Ridgecrest
2) held a Youth Rally.
3) held "M" Night.
4) the director was available at the Key Leadership Conference the association.

Some of the goals for Church Training in the coming year are:

1) begin five new Church Training programs.
2) sponsor an Equipping Center Seminar.
3) reach all the churches with 150 attending our annual "M" Night in November 1985.

One church in our association, Peachtree, has started Church Training on Sunday evenings. They began with the Equipping Center "Understanding Baptist Beliefs" with 23 enrolled.

Pray that during the coming year we can establish a Church Training Council for our association so that we may strengthen existing Church Training programs and begin new programs and groups.

Your Church Training director is available to serve the churches of Tar River Association. Please let me help you by informing me of the particular training needs of your church.

Respectfully submitted,
Jack R. Burnette, Director

Brotherhood - Baptist Men

I want to express my appreciation to the Tar River Baptist Association for electing me as your Brotherhood director. I have attended two leadership training sessions at Camp Caraway for Brotherhood work. As your Brotherhood director, I have led in one key leadership conference, and I spoke to the Brotherhood at Centerville Baptist Church.

I am ready to help any of our churches with their Brotherhood - Baptist Men work. I can help start new Brotherhood - Baptist Men's work and missions in your church. I can do my best to help motivate and keep our present Baptist Men growing in the knowledge of our Lord and missions.

Plans for our ministers and deacons' supper for March 1, 1985 are progressing at a rapid rate. This year we are inviting the spouses of our ministers and deacons. We are planning to have at least 600 people present for this important meeting that could change the course of Tar River Baptist Association in a very positive and rewarding way. This fellowhsip meal will be highlighted with strong emphasis upon the Good News America, God Loves You simultaneous revivals. A tasty, delicious, hot steak dinner is being planned. The advance tickets will be $5.00 each. You will have to order the tickets prepaid from the associational office. They will be available by January 15, 1985. Tickets will not be sold at the door. Please order tickets prepaid.

Other plans for training and inspiration are being formulated for our Baptist Men and Baptist Women.

Let me enter a note of motivation. Baptist Men are saved to serve their Lord and Saviour. They can serve Him as they participate in missions in the local church, the Tar River Association, and around the world. They can serve Him by supporting missions with prayer, time, skills, and mission offerings.

Respectfully submitted,
Norris Cook, Director

Trustees' Report

This past year we have replaced the hot water heater, repaired some plumbing, repaired the heating unit, and repaired the kitchen hood in our missionary's home. At this time, everything is functioning well.

Your trustees will need to bring four recommendations in the near future to take care of growing needs. First, we will need to remove one dying tree and gravel part of the front lawn in order to provide more parking space. Secondly, we will soon need to replace our worn riding mower. Thirdly, we need to paint the outside trim on our home. Fourthly, we need to pave the outside entrance to our associational office.

We will begin to get estimates on this work and we will share them with you in our Executive Committee meetings next year.

Respectfully submitted,
Gerald Strickland, Chairman

Evangelism Report

In the Evangelism Report 1984, J.W. Hutchens, Jr., director of Evangelism Division of the NC Baptist State Convention says: "We are told that only three percent of all lost people come to our churches on their own. This means that 97% are out there lost

without help, without hope, without strength. These people will die and go to hell unless we go where they are and share Jesus with them. It is absolutely imperative that our church people come out of the beautiful church buildings into the market place and share with lost humanity the 'Good News' of Jesus."

Churches across our state are scheduling revival training seminars, "Growing An Evangelistic Church" seminars, "Spiritual Awakening" seminars, getting involved in "Continuing Witness" training and "Lay Evangelism" schools in preparation for the "Good News America, God Loves You" simultaneous revivals to be held in 1986. There will be extensive media coverage for this Southern Baptist Convention-wide event. The Tar River Baptist Association has voted to participate and an associational Steering Committee has been formed with the associational Evangelism director serving as chairman. It is my prayer that all 43 churches in our association will participate in this effort. Our family of 43 churches baptized 157 people in 1983. We can do much better if we get serious about evangelism.

In order to have a more effective associational Evangelism Conference and to place greater emphasis on the 1986 effort, we are changing the date of the associational Evangelism Conference from February to August 26, 1985.

With baptisms down, let's pray God will use each of us to win at least one in the coming year.

Respectfully submitted,
Jesse Mooney, Jr., Director

Director of Missions Report

Our theme for this meeting is "Dare to Dream." My dream for Tar River always has been and still is, to see 43 churches bringing people in to Christ, building those people up in Christ, and sending those people out into the highways and byways to witness for Christ.

I am dreaming of a day, when all of our churches will have as many attending Sunday School as they have attending the worship service. The Bible says, "Not many of you should become teachers, my brothers, for you know that we who teach will be judged with greater strictness" (James 3:1). I dream of hundreds of good teachers who rededicate themselves to become better teachers. I dream of hundreds of teachers who will become students and listen to the Word of God say to them, "Study, to show thyself approved unto God, a workman that needeth not to be ashamed, rightly dividing the word of truth" (II Timothy 3:15).

Secondly, I will dare to dream of the day when everyone of our 43 churches will resolve that they will never go a full year without baptizing some one. I dream of the day when all of the members of all of our churches will carry a genuine burden for all of the lost souls in their community. Paul said, "Do the work of an evangelist, make full proof of thy ministry" (II Timothy 4:5). If every member takes the word of God seriously, somebody in every church is going to win somebody to Christ every single year.

We will be making plans in 1985 for the North Carolina simultaneous revivals in March of 1986. I am dreaming of over 400 dedicated pastors, deacons, and their wives meeting together at Louisburg College to prayerfully consider the possibilities of a great soul-winning effort to reach out to over 10,000 lost souls in the Tar River Association.

Only you and your fellow church members can make these dreams come true. Martha

and I wish for all of you, the tremendous joy and blessings that will be yours, if these dreams do come true. With God's help and yours, they surely will.

Stewardship Report

Where will you be in the year 2000? Where will your church be in the year 2000? What will be the financial status of your church in the year 2000? These are questions that must be answered in a positive way if we are to impact on the future. It has been said that a journey of 1,000 miles starts with one step.

The point is, we must act today to insure our future as well as the future of our churches and our association. Planning today will insure that our church and our association will be financially stable in the year 2000.

May we encourage you and your church to increase your association support by one-half of 1% per year through the year 2000. Assuming that your church is participating at a rate of 3% now -- by the year 2000, you would be supporting at a rate of 10% of your churches tithes and offerings to support the association work.

By aggressively supporting the association, you will be preparing your church to meet the challenge of the twenty-first century with a sound financial program.

We thank you for your consideration!

Respectfully submitted,
Larry Strickland

Moderator for the session was Mr. Van Denton. Twenty-three were present from 10 churches. The treasurer reported a balance on hand of $15,537.40.

Mrs. Nan Jones reported 175 attended the WMU spring session at Peachtree.

Rev. John Attaway offered a recommendation from the Missions Committee "that the Association have 10,000 brochures printed at a cost of $514.50, for use by the churches during the Week of Prayer for Associational Missions." The recommendation was adopted.

Other meetings announced were Outreach Leaders Clinic at Hopkins Chapel June 25, Finance Committee and Key Leaders at associational office. The Associational Leadership Conference for RA leaders at Caraway would be September 7 and 8. The cost to send the leader would be $30.00. A motion was passed to pay the $30.00 to our leader to go.

One hundred five were present from 37 churches. The treasurer's report showed a balance on hand of $16,548.04.

A tentative Calendar of Events was adopted to be presented to the association.

Respectfully submitted,
Mrs. Willis R. Warren, Clerk

NC/Togo Partnership

Partners in Wholeness, the NC/Togo Partnership, is well into the first of its three and a half years. Begun with the vote of the Baptist State Convention last November, the Partnership involves North Carolina Baptists, the Foreign Mission Board, Baptist missionaries in Togo, and the Togolese Baptist Association.

Togo is a small country on the coast of West Africa, located next to Ghana and near Nigeria. It is fairly typical of countries in the Third World, those developing countries where there is much poverty and many needs.

The Partnership is located in the Upper Ogou Region of Togo. This is a very poor area, where life expectancy is only 38 years and 50% of the children die before they reach the age of six.

Several factors contribute to this situation. Water is a major problem. Women, whose responsibility it is to obtain water, often must walk many miles to a well or stream. Sadly, even that water is usually contaminated with parasites. During the dry season, which lasts for six months, water may not be available for crops or animals. Water problems are compounded by poor nutrition. While adequate quantities of food may be available, the traditional Togolese diet is very high in starch and low in protein.

All of this is made even worse by the lack of basic health information or simple medical care. Common childhood diseases, which would be easily thrown off by most American children, can be fatal in Togo. Many of these diseases, like measles, could be prevented by inoculations, if only they were available. Poor health information leads to more deaths. For example, the traditional "cure" for childhood diarrhea is to *withhold* fluids. This seemingly logical response, of course, speeds dehydration and hastens death.

The Upper Ogou is also an area with deep spiritual needs. The primary religion is animism or fetishism, the traditional worship of many spirits. Until last fall, the only other Christian work in the region was at two small Catholic missions. Even the Moslems, strong in many parts of Africa, have only one small mosque in the area. Last fall, Baptist missionaries and Togolese Baptist preachers led an evangelistic crusade in which nearly 400 were saved and six preaching stations were established. In an area in which the primary religion is based on fear, the good news of Christ, with its message of hope and joy, is falling on fertile ground.

The Partnership seeks to address these many needs. Central to the project is a Community Learning Center, now being built at the village of Moretan. This center will consist of a classroom, eating facilities, and several traditional Togolese huts, built of mud bricks with thatched roofs. The huts will have small, though significant, improvements.

For example, the windows will be screened. John Moore, former Director of Missions in the South Roanoke Association, is serving, with his wife, Julia, as the host for North Carolina volunteers in Lome, the capital city. He reported what happened at the partnership site when some of the first local people saw the window screens. "They had never seen screens," he wrote, "but recognized immediately what they were for, and expressed amazement that now one could have the breeze blow through the house without the flies."

The Community Learning Center, when completed, will be a site to which people from nearby villages can come to learn better nutrition, improved agricultural techniques (such as crop rotation), simple health education, and other ways to improve their lives and health. It will also be a place where the Togolese can experience the love of God as it is expressed in word and in deed by North Carolina volunteers and others working there.

Other parts of the Partnership are addressing other needs. The boys at Camp Caraway this summer gave their offerings to provide inoculations for Togolese children. Volunteers will go to give those shots. The Foreign Mission Board has bought a well drilling rig and plans to drill deep wells in many villages. Volunteers will operate the rig and teach the Togolese to use it. Plans are being drawn to build a bridge across the Mono River, which cuts Upper Ogou off from the rest of Togo during the rainy season. Volunteers have worked to plan the bridge and will help to build it. Literacy training will enable the people to help themselves and will open the Bible to them. Volunteers will go as literacy teachers.

Currently, construction is well under way on the Community Learning Center. Six huts have been completed and four more are under construction. Two missionary families, who will continue to live in Moretan, have moved to that area. A home for one family has been completed; a second is under way.

At the time of this writing (September 5), 26 North Carolina Baptists have been to Togo as volunteers. They are:

You can have a part in the Partnership. During the next three years, we will be looking for nearly 300 volunteers. You may be one of the ones we need. If you are not able to go, you may be able to give. The Hunger Relief Fund of the Foreign Mission Board pays for the hunger-related parts of the project. The NC/Togo Partnership Fund of the Baptist State Convention assists volunteers who are unable to pay all of their own expenses and finances part of the administrative and promotional costs. While some can go as volunteers and many can help financially, all can undergird the Partnership through prayer. Please pray for career missionaries in Togo, for North Carolina volunteers, for the new Togolese Baptists, for the people of Upper Ogou, and for all in North Carolina who work to make the Partnership possible. Indeed, we *are* co-laborers with Christ, partners in bringing wholeness to the people of Togo, ministering in the name of the One who seeks to make each of us whole.

Constitution

ARTICLE I — NAME

The name of this body shall be the Tar River Baptist Association.

ARTICLE II — PURPOSE

It shall be the purpose of this Association to promote the Kingdom of God on earth in compliance with New Testament principles; and to encourage cooperation with the Baptist State Convention and the Southern Baptist Convention; and to promote unity, growth and fellowship among the member churches; and, to carry out properly these purposes and other necessary purposes and activities of the Association.

ARTICLE III — MEMBERSHIP

A. The Association shall be composed of the officers of the Association, the pastors of the member churches and the duly elected messengers of these churches. Each church is entitled to four messengers, and any church whose resident membership exceeds two hundred is entitled to two additional messengers for each one hundred members, or major fraction thereof in excess of two hundred, provided that no church shall be entitled to more than ten messengers.

B. Messengers representing a majority of the churches of the Association shall constitute a quorum at meetings of the Association.

C. The Association shall meet biannually in the fall and spring. The fall session shall be primarily for business and the spring session primarily for inspiration. The annual sermon shall be delivered during the spring season

ARTICLE IV — RECEPTION OF CHURCHES INTO THE TAR RIVER ASSOCIATION FELLOWSHIP

Baptist churches seeking affiliation with this body, upon petition by letter and by messengers, and after satisfactory examination of their Articles of Faith, and approval by a Credentials Committee, may be admitted into this Association by a majority vote, whereupon the Moderator shall give the messengers thereof the right hand of fellowship.

ARTICLE V — DUTIES OF THE CHURCHES

It shall be the duty of the churches to correspond annually with the Association by church letters; messengers; give full statistical information and also facts concerning their general welfare; and, to send contributions to pay the expenses of the Association. The Clerk shall furnish the churches with two printed forms for their annual church letter, these to be mailed at least six weeks before the Annual Fall Session of the Association. The churches are requested to have the church letters in the hands of the Clerk not less than one week before the meeting of the Association.

ARTICLE VI — POWERS AND PREROGATIVES OF THE ASSOCIATION

A. The Association shall have no right to infringe upon the sovereignty of rights of the churches. It is neither an ecclesiastical legislature nor a court of appeals. It may advise the churches, and recommend measures for their adoption, but cannot bind them in any way. However, it may justly claim for itself, for its purposes, and for its recommendations the very highest consideration and regard.

B. The Association may dissolve connection with any church that becomes disorderly in practice, or that fails to represent itself either by messenger or church letter at more

than two consecutive Annual Fall Sessions, or that treats with contempt its purposes and requirements, or upon application of a church for its own dismissal.

ARTICLE VII — OFFICERS

The officers of the Association shall be: Moderator, Vice Moderator, Clerk, Treasurer (with the privilege of combining the office of Clerk and Treasurer), Auditor, Historian, Trustees, Sunday School Director, Church Training Director, Music Director, Woman's Missionary Union Director, Brotherhood Director, Chairman of Evangelism, Stewardship Chairman, Chairman of the Social Services Committee, and the Chairman of the Christian Education Committee. The Moderator, the Vice Moderator, the Clerk, the Historian, the Trustees, the Chairman of the Social Services Committee and the Chairman of the Christian Education Committee shall be elected at the fall meeting and their terms of office shall commence at the conclusion of the session. History of Cedar Rock First Baptist Church

1876 - 1985

In 1876, a few Christian men and women began a series of religious services at the old Cedar Rock Township Courthouse. In 1877, the first church building was built on the land which is now the church cemetery and came into the Tar River Association as a new church. In those days of stringent finances, the erection of this building was made by hard labor from: J.W. Sledge, J.F. Fulghum, J.H. Sledge, E.S. Green, R.R. Boone, J.M. Stallings, J.A. Coppedge, W.B. Coppedge, A.C. Fisher, R.B. Gilliam, J.J. May, William Inscoe, Woodson Parrish and others. The first pastor, Rev. G.W. Newell, helped to scatter the pebbles of Christian influence that lives today in the grandchildren of those faithful old soldiers of the cross.

On Sunday morning, October 29, 1944, the church building burned to ashes. Services were held in Edward Best High School until the old Cedar Rock School building, purchased in 1941, could be made ready for use.

The first service in the new building was held on October 7, 1951. A standing vote of thanks went to Mr. William Stallings, chairman of the Building Committee, and his group for making the dream a reality.

In 1952, a Hammond organ was purchased and chimes donated later by the Phil and Jim Inscoe families.

Sunday School was held in the new educational building on November 23, 1953 for the first time. The fellowship hall in the basement was completed with modern kitchen in 1964. A "Burning of the Church Mortgage Ceremony" was held on December 17, 1961 with appreciation expressed to T.O. Nelms and those on his committee. When the foundation was laid, the building fund consisted of $300. The church library was organized in 1962. The brick parsonage was completed in 1966. The John Jackson Dean Memorial Scholarship Loan Fund was established in 1970 with an initial gift of $6,000. Donations were made to complete the sanctuary with stained glass memorial windows, and new heating and air conditioning systems were installed in 1971. On October 17, 1976, the church celebrated its 100th birthday. New light fixtures were installed in sanctuary in 1982. Sanctuary pews were upholstered in 1984. The name of the church was changed to "Cedar Rock First Baptist Church" in 1984.

Playing an important part in the life of the community, the church is the center of its activities. The spirit of the past still lives in this modern structure, and ties the people together with unity that is a promise for the future.

History of Wood Baptist Church

1914 - 1985

In 1914, a group of Southern Baptists in Wood, North Carolina, gathered together and decided to organize a much-needed place of worship. On October 3, 1915, Bethany Baptist Church was received into the Tar River Association. At that time, the church had 37 members. The Reverend J.J. Marshall, a blind Associational Missionary, began preaching for the congregation in 1914 using a Braille Bible.

In 1917, the name of the church was changed from Bethany to Wood Baptist Church. By 1921 the membership had reached 45. Another Baptist church in the Wood community, Mount Hebron, was torn down and many of these people moved their membership to Wood.

The church was located on Johnson Street, constructed of lumber and painted white. Sunday School classes were created by using curtains to make partitions in the building.

The membership reached 225 by 1944 and these people decided that a new building was greatly needed. When the opportunity arose to purchase the Wood Elementary School at auction in 1948, the church bought the building. Harvest sales and suppers sponsored by the church raised the funds to pay for the building and land.

The old school building was converted to the Wood Baptist Church in 1949 with extensive remodeling costing the church $11,272.09. Beautiful stained glass windows have also been added to the sanctuary by members of the congregation in memory of various loved ones. The new church was dedicated on July 26, 1951.

Sometime around the year 1961 or 1962, the church undertook the project of building a parsonage for their pastors. Again, the spirit of Christian cooperation, love and concern, led the people to work together in many ways until this lovely five-room home was constructed.

The following men of God have led the people at Wood in many undertakings in furthering not only the physical structures, but also the spiritual kingdom of God, from 1914 to the present: J.J. Marshall, J.U. Teague, L.W. Teague, S.S. McGregor, A.N. Corpening, H.F. Wright, E.J. Caldwell, J.C. Yates, G.B. Love, D.J. Owens, John Edwards, W.N. Brookshire, R.O. Bennett, Jr., W.W. Turner, Horace Thompson, B.W. Gordon, John Carter, Aaron Conn, Dwight Cumbee, Morris Briggs, R.R. Boone, Everett Parsons, David Dickerson, Albert Sherbert, Max Godwin, Larry Thompson, Sherrill Lane, David Trimbur, and Robert Young.

Many people have served the church diligently through the years, but one, Mrs. W.D. Fuller, is especially loved and appreciated by all for her sincere dedication to the position of choir director and organist for 48 years.

Baptist Retirement Homes of North Carolina Report

For over 34 years, N.C. Baptists have been ministering with older adults through the Baptist Retirement Homes of North Carolina. The Homes' ministry is one that works--providing security and hope in the midst of sincere concern and love--bringing about the possibility for abundant life--one with a plus. This is all happening in the name of North Carolina Baptists through the "Baptist" Retirement Homes.

The Retirement Homes' policy makers, your trustees, and the Administrative Staff have diligently addressed the changing scene of retirement living. This serious effort has enhanced the viability and efficiency of the Homes' ministry. Serious questions still face the Retirement Homes.

What forms must the Homes' ministry take to meet the increasing needs created by the growing numbers of older adults? How will limited financing meet facility needs? The Homes have a rich heritage of ministry. Building on the strengths of this heritage, the Homes with the growing support of North Carolina Baptists will effectively meet the needs of many more older persons.

The following facts and information will give an overview of the ministry during 1984:

- The Retirement Homes had an average daily occupancy of 244 residents.
- Over $100,000 of benevolent care was provided monthly to residents.
- Sixty cents of each benevolent care dollar was provided through Cooperative Program and North Carolina Missions Offering gifts.
- "Heart to Heart" Christmas gifts from friends of the Retirement Homes provided each resident with a $20 gift.
- A 20-minute video tape "Not an Ordinary Person" has been produced to communicate the Homes' ministry.

The Baptist Retirement Homes' goal is to add the most important dimension to the needs of older adults--CHRISTIAN COMPASSION. The Homes' care goes beyond the required minimums, thanks to your mission support, care of which Baptists can take pride in providing.

Respectfully submitted,
James E. Horton
Baptist Retirement Homes Representative

Baptist Hospital Report

Our Baptist Hospital, located in Winston-Salem, is an institution committed to ministering to the needs of people with skill and understanding. The care they provide takes into consideration the needs of the total person, the physical as well as spiritual. Baptist hospital provides traditional hospital care while at the same time seeking to remain on the cutting edge of medical advancement and patient care.

This year, a total of 24,577 patients received the help they needed at our hospital. This care ranged from intensive care, cardiac care and rehabilitation to pastoral care and counseling. The hospital seeks to provide the services needed to make the sick well again. With over 4,000 persons to staff the medical center and an ever-growing list of advanced medical services, Baptist Hospital is leading not only our state in updated patient care but in some areas they are among the best in the world.

The medical center is dedicated to education and research. The Bowman Gray School of Medicine functions as the means of filling these two challenges. This year alone, advanced in treatment were achieved in a number of areas. There were 700 open heart surgeries performed and 20 kidney transplants. Other clinical advances in the area of neurosurgery gave Baptist Hospital a leading edge in this field due to the lowest mortality rate in the world for this kind of care. The hospital also began a new method of helping kidney patients through ultra-sound, eliminating the need for serious surgery.

Besides this, the hospital seeks to meet spiritual needs as well. The Department of Pastoral Care carries on 47 programs designed to meet the spiritual needs of patients and staff. A total of 33,000 pastoral visits or counseling sessions were given this year. The School of Pastoral Care, headed by Dr. Dewey Hobbs is also involved in a continuous program of training of chaplains and pastors to aid persons during the spiritual crisis that accompanies illness.

This year Cooperative Program gifts totaling $515,556 were given to the Baptist Hospital. There were also funds given through the State Missions offering totaling $351,801 which were used to help 418 needy patients. Our Baptist Medical Center is truly a valuable asset to the people of our state and our world. It is a tribute to the care and concern of Baptists for all people.

Respectfully submitted,
Richard Cato, Hospital Representative

- Group Care - campus living with supportive services readily available, such as recreation, crafts, education, medical care, worship opportunities, and social work services.
- Maternity Care - to assist the expectant unwed mother in making realistic plans for herself and her baby.
- Therapeutic Camping - an outdoor setting where troubled male children and youth can learn problem-solving techniques in a group meeting.

All of these services are available through the Raleigh Area Family Services Center, with offices located at 2600 New Bern Avenue, Raleigh, NC 27610. The area served includes Chatham, Durham, Granville, Johnston, Lee, Nash, Orange, Person, Vance, Wake and Warren counties.

We, as Baptists, should be very proud and thankful of the work which is accomplished through our Children's Homes. May we forever be mindful of these needed ministries performed by the Baptist Children's Homes of our state.

Baptist Children's Homes Representative

Missions Committee Report

The Missions Committee of Tar River Association met on November 19, 1984 and on March 11, 1985 at the Director of Missions office.

A majority of members was present at each session. A good spirit and working relationship exists within this committee and we thank you for the privilege of serving Tar River churches.

Action on projects approved by the Executive Committee have moved along well. The budget is representative of more interest in the well-being of our personnel. The leaders of each of the organizations report plans for their area of concentration to be moving toward goals that will involve each person of the Tar River Association of churches who will allow themselves to be involved.

One of the most exciting projects that the Missions Committee is hoping to see confirmed this year is the Togo project. The W.M.U. has done an outstanding job in preliminary groundwork. We may now join to assure that persons can share their talent in areas of medical care, water management, and heavy equipment operations.

Here at home, there continues to be the ever-present need to reach home folk who are not responding to the urgency of salvation. In this respect, the Missions Committee would like input toward what may become missions churches in the Tar River Association.

There is a great work to be done. In harmony with the Holy Spirit, much can be accomplished before the twentieth century if we will persist.

Respectfully submitted,
Alfred Snipes, Chairman

Relief and Annuity Board Report

During 1984, over 13,000 Southern Baptist Annuitants received a retirement check each month, providing a degree of security. However, most of these recipients did not receive adequate benefits because of inadequate coverage provisions during their time of service. Eighty percent of those receiving benefits receive less than $200.00 per month; fifty percent of them received less than $100.00 per month; and the average for the SBC is $142.00.

In North Carolina, there are 1,321 annuitants. Of this number, 681 receive $100.00 or less per month. Around 415 of this number receive from $101.00 to $200.00, and 225 receive over $200.00 per month.

In Tar River Association, there are 33 participants, the group being composed of our Director of Missions and 32 pastors. There are no staff members enrolled in the plan.

The funds paid into the plan by the various members become the basis for the monthly retirement benefit. How are these accumulated? The Annuity Board encourages churches, pastors, and staff members to make contributions to the members' plan. The recommended minimum amount is 10 percent of the compensation paid the pastor or staff member (cash salary plus housing). In addition, the Baptist State Convention of NC contributes $200.00 per year to each pastor's retirement program (this will increase to $420.00 in 1988). The money is then invested in from one to four different funds, each one having a varying degree of interest and risk.

Respectfully submitted,
Michael Thompson
Annuity Board Representative

Motion was seconded and passed for this to go to our Constitution Committee to work out the details.

Motion was made from the Finance Committee that the 1985 budget be revised to make the honorarium for the clerk the same as the treasurer as in the past. Motion was seconded and carried.

Statement on The Family Farm Crisis Adopted by the HMB Board of Directors

March 13, 1985

Today God hears the cries of thousands of American farm families who stand to lose their land, their home, their vocation, their way of life. God hears; God cares. We also hear, and we care.

Five million Southern Baptists are members of 22,000 congregations at the country crossroads, in the villages and in small towns of this nation. Many till the soil and tend the livestock on the farms and ranches. Others drive the trucks, run the feedstore, work in the bank, teach in the schools of the small towns which service the needs of the farmers. Their lives and livelihoods are integrally related to farm people. The family farm crisis impacts and endangers them all.

As these Baptist brothers and sisters hurt, and other believers and non-believers suffer, we too suffer. We call upon Southern Baptists across this land to hold up for prayer our farm related families. We also call for prayer for the pastors who seek to minister to these people, some of whom find themselves in congregations torn by the presence of both the farm family faced with foreclosure and the creditors who have had to take this action. We call for prayer for the thousands of rural and village congregations whose very existence is threatened if these families lose their farms and homes and must move away in search of alternate employment. We call for prayer also for the legislators and administration whose task it is to formulate policy. This will not be easy because the issues involved are varied and complex.

God hears; God cares; God loves.

History of Bailey Baptist Church

September 26, 1909, became a day to remember to Baptists in the Bailey area. On that day the Reverend J.W. Nobles, State Missionary, J.H. Grice, and G.W. Finch met at Rock Springs Schoolhouse for the purpose of establishing a Missionary Baptist Church. Presenting letters for membership were J.P. Underwood, Sr., R.L. Underwood, L.R. Finch, B.L. Taylor and daughter, Mrs. Ellen Finch, and Miss Mary Underwood.

Mr. Nobles was appointed moderator and clerk, and duly recorded the meeting. J.P. Underwood, Sr. was chosen deacon, with R.L. Underwood as clerk. Mr. Nobles agreed to remain as pastor until December of the same year. The Articles of Faith, Church Covenant, and Rules of Order taken from *Pendleton's Church Manual* were adopted. Thus was constituted the Missionary Baptist Church of Bailey, Nash County, North Carolina.

At the first conference held on October 17, 1909, the church voted to request membership in the Johnston Baptist Association, and was accepted the same month. A building committee was appointed and a church building was soon erected on what is now Highway 581.

During the early years of World War II as the need for expansion increased, our pastor, P.P. Hartsell led the church in a building program. The lot where our present church stands on Highway 264 was purchased from W.H. Farmer and Brother, for $2,500. Two thousand of this sum was donated by W.H. Farmer and Brother. The old church building was sold to Mr. B.M. Farmer, who converted it into an apartment house called "Gospel Apartments."

Ground breaking for the education building and basement was held in 1947. Construction on the main auditorium was started in July 1950. In November 1956, the Bailey Missionary Baptist Church, with a membership of 168, was formally dedicated.

Plans for the pastorium were begun in 1957, and the building was completed in 1959. Mrs. Mary High, the former Mary Underwood, charter member, donated a large portion of the money for this building. It was at this time that our church changed from the Johnston Association to the Tar River Association.

Pastors who have served our church in these years of expansion are: Rev. P.P. Hartsell, Rev. J.W. Davis, Rev. Frank Zedick, Rev. Clyde Yates, Rev. J. Monte Bishop, Rev. Charles Allard, Rev. Todd Walter, Rev. Charles Kratz, Rev. Jerry W. Turner, Rev. Shelby Stevens, and Rev. John Owings.

While Jerry Turner was pastor, we began the first phase of a remodeling project. This project was completed while Shelby Stevens was our pastor. Both of these men were students at Southeastern Baptist Theological Seminary in Wake Forest at the time they served our church.

Our present pastor, James W. Hales, came October 9, 1983. A Baptist Mission was started in Sims, N.C. in June 1985.

Bailey Baptist Church now has 214 resident members and 73 non-resident members, making a total of 287 members.

Many challenges still lie ahead for Bailey Baptist Church, and we look forward to the future always with a prayer in our hearts for our continued success. Being confident of this thing, that what God has started, He will bring to completion for His glory.

History of Ephesus Baptist Church

In the late 1870s, Rev. George W. Coppedge began holding preaching services under a brush arbor near the site of the present church. Some of those attending believed that a church should be started and on August 14, 1880 Ephesus Missionary Baptist Church, as yet unnamed, was organized at Bryant Schoolhouse, which was located on the same parcel of land where the church now stands.

Our charter members were W.M. Warren and Mahlia Warren, J.H. Valentine, H.M. Warren and Anne Warren, and Mary G. Fulford (all of whom presented letters from Peachtree Baptist Church). S.J. Batchelor was also a charter member who came from Pleasant Grove Baptist Church.

The first deacons were W.M. Warren and J.H. Valentine. Rev. George W. Coppedge was called as the first pastor at a salary of $60 a year. Just nine days following the organization of the church, three new members, Victoria Lamm, Marzilla Lamm and Sarah Rackley, were received for baptism.

In September of 1880, at the second regular conference, the church was named Ephesus Missionary Baptist Church. W.M. Warren was the first clerk and the first treasurer; H.M. Warren, S.J. Batchelor, and R.T. Matthews were appointed as the first trustees.

In the beginning the church held worship services once a month on Saturday and Sunday.

In 1882 a church building was erected at a cost of $800 with lumber donated by James T. Webb. Willis M. Warren purchased the Bryant Schoolhouse and one acre of land. The building was sold and moved from the site and the land was donated to the church.

In a major step toward equality the church, in 1887, decided to allow women to vote in the election of pastors.

As in many churches of the day, church discipline was a major item of business at many of the monthly conferences. The early minutes record instances such as individuals being excluded for heresy or for failure to attend services regularly. The record also shows that those who sought forgiveness were restored to the full fellowship of the church.

By 1893 the church found it necessary to revise the rolls for the first time. Additional revisions were made in 1919, 1930 and 1939. Such revisions were often divisive and controversial.

By 1915 the church had grown and prospered to the point where they voted to have services twice a month.

The following year the first member, M.V. Denton, was ordained to the ministry at Ephesus Baptist Church. Since that time God has called others forth from our membership. They are Sanford L. Lamm, Albert S. Lamm, Hassell Lamm, David Edwards, and Cecil C. Edwards. In addition, two have been appointed as missionaries by the Home Mission Board, Albert S. Lamm and Douglas McLeroy.

In 1927 a Baptist Young Peoples Union was first organized by the Rev. A.A. Pippin.

In 1929 the church was wired for electric lights. The first piano was purchased in 1935 and the first Sunday School rooms were completed in 1936.

The first Vacation Bible School at Ephesus was held in June of 1947 and in 1948 Wednesday night prayer services were begun. At that time three acres of land, which had been separated from the main church grounds by the building of State Highway 581, were traded to Hobart Brantley for three acres adjoining the church property west of the highway.

Progress continued and in 1950 gas heat was installed in the church building. The church made a major step forward in 1953 when they became a "full-time" church with services every Sunday and a resident pastor. During this year the rotation system for deacons was begun and the church adopted a long-range building program to construct an educational building, a pastorium, and a sanctuary. At that time the old church building was moved a short distance to allow for the expansion.

By 1955 the educational building was complete and it was paid for by 1956. The first organ was purchased the following year.

Additional land was purchased in 1958 to build the pastorium. It was completed in 1959 and paid for by 1962.

The old sanctuary was torn down in 1967 and the new one was completed in 1968. The building program continued into the 1970s. In 1974 the old educational building was renovated and a new educational building with a fellowship hall and kitchen was added. The parking lot was paved in 1975, a tennis court built in 1976, and the church landscaped in 1979. The present steeple was erected in 1980. The next major addition was in 1984 when a new organ was purchased to replace the old one.

The church has had 23 pastors: George W. Coppedge, M.J. Willoughby, R.P. Driver, R.D. Carrol, J.E. Hocutt, J.P. Gulley, J.W. Nobles, A.A. Pippin, J.N. Stancil, Ernest C. Upchurch, Harvey Coppedge, Jack Falls, Cline Borders, Hugh L. Borders, Daniel W. Smith, Kenneth L. Payton, Julius H. Lee, Don Lee Hunnings, Douglas S. McLeroy, Ronald Arndt, Johnnie N. Browder, Sr., Danny W. Bullock, and the current pastor, Clark J. Rounds.

Six clerks have maintained the records of our church over its 105-year history. They are: Willis M. Warren, Herbert P. Warren, Cecil Edwards, J.P. Murray, Clara W. Strickland, and Nannie Mae Warren. Their faithfulness and dedication to the task are much appreciated.

Today we look back on our heritage, fully aware that where we find ourselves is due in great part to the dedicated efforts of the saints who have gone before us. Our hope is, "since we are surrounded by so great a cloud of witnesses," that we might run well that portion of the race that yet lies ahead, in order that future generations might include us as they remember with joy those who have gone before them.

W.M.U. Report

The work of Woman's Missionary Union of Tar River has been truly blessed this past year. Excellent leadership has proven itself in each age level organization of W.M.U. with continued growth the result. We are grateful for this W.M.U. leadership and for all the hard work they have done to advance missions education in our churches and across Tar River.

Tar River W.M.U. is governed by an Executive Council of 11 women, each state-trained to represent all age levels of W.M.U. as well as Mission Action, Enlistment and Enlargement and, for two years only, Centennial. These associational leaders in turn train their counterparts in the local churches. Our fall workshop was held at Cedar Rock Baptist Church this year with approximately 120 leaders attending. Workshops for G.A. leaders and Acteen leaders were held on September 8 and September 22 respectively. Tar River W.M.U. was recognized this year as an Advanced W.M.U.

A highlight of our past year had to be our mission action project. Led by the Tar River Mission Action Director, Mrs. Jean Burnette, our associational W.M.U. supplied several volunteers and paid their expenses for the North Carolina/Togo Partnership

program. Twenty-seven churches in Tar River participated by sending in money to send these volunteers. Each volunteer to go was an active member of a Southern Baptist church in Tar River. We're very grateful to all the churches that responded to this need.

Our Annual Spring Meeting was well attended with 168 persons present. It was held at Mt. Zion Baptist Church in April.

Tar River Associational W.M.U. exists to assist the churches. Please call on us anytime and give us the privilege of "multiplying the vision" of missions in Tar River.

Sunday School Report

Tar River Sunday Schools were challenged to increase their enrollments during 1984-85 through the "8.5 by '85" Southern Baptist growth emphasis. Our goal was to get more people involved in Bible study so that we might ". . . grow in grace and in the knowledge of our Lord and Saviour Jesus Christ" (II Peter 3:18 KJV). In the small group setting of a Sunday School class, Christians can be strengthened, grow spiritually, and develop as believers in Christ. Non-Christians can be exposed to God's Word in the best Bible studies available in our church communities on Sunday mornings and, ultimately, many will come to know Jesus Christ as Lord and Saviour.

"8.5 by '85" challenged Sunday Schools to grow by five as a whole, in individual classes, or in various other ways as adopted by the individual Sunday Schools. September concluded this effort with "From Here to Victory" and "High Attendance Day" celebrations. A number of our Sunday Schools met their goals; however, our final report is not in yet.

Sunday School directors were challenged to continue leading their Sunday Schools to "victory" at the Key Leadership Clinic held at Maple Springs in August. Although "8.5 by '85" ends in September, Sunday School growth is a continuing emphasis with "Challenge 10/90" calling for Southern Baptists to reach a goal of ten million persons in Bible study by 1990. Each Tar River Sunday School has a significant part in helping to reach this goal.

The Sunday School Leadership Clinic held in September at White Level provided training for teachers in all age groups. Major emphasis was placed on outreach and witnessing and how the Sunday School ties in with the 1986 "Good News America, God Loves You" Revivals.

The Vacation Bible School Clinic held in May at Ephesus provided excellent training in use of V.B.S. materials. Directors and teachers from our churches were reminded that our V.B.S. is one of the greatest means of outreach we have.

The ASSISTeam (Associational Sunday School Improvement Support Team) provided assistance to Mount Zion and Sandy Creek Sunday Schools. Team members are: Jimmy Creech, Director; W.R. McCollum, Senior Adults; Gary Anderson, Adults; Frankie Tanner, Youth; Steve Thornton, Children; and Michael Hampton, Preschool. The ASSISTeam is available to assist churches on an individual or group basis.

Tar River Sunday Schools have a great mission: "Go ye therefore, and teach . . . ." As we do this, the second part of Jesus' great commission will be realized through the power of the Holy Spirit: ". . . baptizing them in the name of the Father, and of the Son, and of the Holy Ghost" (Matthew 28:19 KJV).

Jimmy Creech, Director

Church Training Report

To develop persons into mature, committed Christians requires a lifetime commitment to training, according to Maurice Cooper, State Church Training Director for the Baptist State Convention of North Carolina.

In 1977, Tar River had only 131 enrolled in Church Training. The year 1984, showed that we had an enrollment of 1,148. We are truly thankful for this increase and hope that 1985 will be much greater.

"M" Night in November at Franklinton was well attended. Peachtree won the banner. The film, "The Greatest Story Never Told," was a real blessing.

Youth Night in March at Hopkins Chapel was also well attended. Richard Cato, pastor of Hickory Rock brought a challenge in song and testimony. There was one saved in this meeting.

In January, your director, Jack R. Burnette and his wife, Jean, attended the Enablers' Conference for Church Training at Caraway. Mrs. Burnette represented the youth and attended that class.

In May, your director attended the Key Leadership Conference at Ridgecrest. In August, one person attended the Church Training class at our Key Leadership Conference in Tar River.

Our goal this year is to have every church in Tar River Baptist Association elect a director for Church Training who will be responsible for implementing meaningful training in the church.

The Church Training Program has responsibility for teaching in five major content areas. These are: Christian Doctrine, Christian Ethics, Christian History, Church Polity and Organization, and Skill Development (in performing the function of a New Testament church).

Your Church Training director is available to serve the churches of Tar River Baptist Association. Please call on me anytime that I can be of service to you.

Brotherhood Report

The Brotherhood has made some strong strides forward. North Carolina has the second highest enrollment of Baptist Men and R.A.'s in the United States of America.

Hopkins Chapel has organized a Brotherhood with an average attendance of 18. We have completed four community missions projects. Unknown to me other churches may have organized Baptist Men and R.A.'s.

March 1, 1985 was the blessing of the year. We had 580 persons to attend the Pastors-Deacons banquet at Louisburg College. For the first time spouses were invited. Rev. J.W. Hutchens, Director of the Division of Evangelism of Baptist State Convention delivered God's challenging message for the Good News America, God Loves You simultaneous revivals. Rev. Jesse Mooney challenged the churches to participate.

On March 18, 1985, Union Chapel Baptist Church hosted the Associational Brotherhood and R.A. Training Conference. The session was led by David Langford, Brotherhood Director of Baptist State Convention of North Carolina. Eddie Petite assisted by leading the R.A. session.

As Brotherhood director, I have trained for key leadership at Ridgecrest. I led the Brotherhood session of our Key Leadership Conference at Maple Springs on August 5, 1985.

On September 5, 1985 Franklinton Baptist Church hosted the first Tar River Baptist Men's Prayer Retreat.

Harold Burton, R.A. director for our Association organized the R.A. Track Meet and Camp Out.

History for Church Year 1984-85

Men and women of faith, courage, and vision have and continue to influence events and changes that are recorded in the histories of man. History is a systematic account of changes and events that affect the lives of mankind and such is the record of the Tar River Association for the church year 1984-85.

There would be little need for history if all things remained the same but as we look at the wonders of God's creation, we realize that all things change. The only constant influence in the lives of men is God. We believe that He is the same yesterday, today, and forever. Even though God is the same, He created man for change; ever yearning, reaching beyond ourselves and growing in knowledge of God and His creation. This is and should always be the record of the Tar River Association, changing and growing toward God.

It would be a real historical achievement if the record could show the spiritual growth of each Christian who is a part of the Association or even a picture of the spiritual character of the 43 churches that make up the Association. Since there is no accurate measurement of spiritual growth available, we must use other resources to pass on to other generations a picture of the church and its place in society today.

This Association and its member churches, being a part of the Southern Baptist Convention, are being influenced by the struggle within the Convention between the liberals and the conservatives. There is a polarization of these two factions, weakening the work of our great denomination within the church, the associations, and state conventions. It is also weakening the commitment of church members and their resolve to carry out the programs of the Convention. Some of the most basic beliefs of Southern Baptists are being attacked and weakened by the power struggle within the Convention. The belief that man is his own moral free agent, accountable only to God for his choices, good or evil; the separation of church and state; the autonomy of the individual church and the priesthood of believers, all basic within the Convention. The effect of these challenges are being felt by associations, the church and individual Christians. There is a need for the liberals to be out on the cutting edge of change and discovery, challenging the minds of Christians to be unafraid to think differently from others in order to grow. There is also a need for the conservatives to challenge and filter the truth out of theory. There is a place for both conservatives and liberals in the denomination and if The Bold Mission Thrust reaches the world by the year 2000, there is no time for division.

In November of this past church year, the State Baptist Convention met in Asheville, North Carolina, to elect for the second term, Dr. Norman Wiggins, as its president. Ministers and delegates from many of the churches in the Tar River Association were

present and felt the impact of the conservative movement in the Convention. The feeling that morality is the champion cause of the church seems to be invading the thinking of our denomination. Morality is most important to the welfare of the church and our nation, but it cannot be forced or legislated. It must be taught and practiced in our everyday living, not dictated by the church or state. Teaching and moral living are the task of the churches.

Our Association began the year with its semiannual meeting in October. Several inspirational reports and sermons were presented and the Association was off to another year of progress. The Annual Pastor-Deacons Banquet was held on March 1 this year in the Louisburg College Cafeteria. Wives of both pastors and deacons were guests. The program for the evening was the presentation of the 1986 Good News Revival focus. Evangelism is needed in our Association since there are 10,000 persons having no association with a church. Meeting the needs of Christians is of equal importance since only 25 percent of church members attend church on a regular basis. We, as Baptists, fall short in nurturing and teaching young Christians to grow and develop into mature dedicated workers in God's Kingdom. There are programs for growth and development in the Association, but all too often, they never reach the local church for application. During the past year, many programs, objectives and ideas have come down to the church and Association from the State and Southern Baptist Conventions, but to succeed as a denomination, there must be a grass roots movement within and among local churches. Teaching Christians that Christianity is a way of life, helping men and women, boys and girls to face life and solve their problems with the right choices. This is grass roots Christianity meeting the needs where the needs are.

The Spring Session of the Association was held on April 15 this year at Cedar Rock First Baptist Church. Most of the delegates were older adults with a few young people having a part on the program. Serious thought should be given to changes in the program that would involve the young people in Associational activities.

This past year, the Bailey Baptist Church sponsored a mission in the village of Sims with the help of many of the churches in the Association. Contributions of money, time, and materials were given in support of this mission. The millions of hungry people across the world have prompted many churches in the Association to contribute to the Baptist Hunger Fund. Three of our own were sent to Togo, Africa to do mission work, with contributions from many of the churches. This spirit is indicative of the response of Christian people and the Association when there is a grass roots movement. Christians will always respond to needs when they are presented out of Christian love and honest concern. Christians in the local church are not as concerned with numbers and slogans as they are with human life.

Last year was a good year for our Association and our prayer is that this year will be more meaningful and productive than last year.

James W. Weeks, Historian

Evangelism Report

At this writing, 37 churches in the Tar River Baptist Association have voted to participate in the 1986 "Good News America, God Loves You" revivals. This is wonderful. Good News America includes a national media campaign, evangelistic people search/ scripture distribution, spiritual preparation, witness training, and then the revivals scheduled in our Association for March 9-16, 1986.

A part of our preparation was at our Associational Evangelism Conference held on August 5, 1985 at the Pilot Baptist Church. The choir of Franklinton Baptist Church provided the special music, Rev. Norris Cook shared with us about Evangelistic People Search/Scripture Distribution, and the Reverend Donald Cooper, pastor of Temple Baptist Church of Fayetteville, brought us a most inspiring and challenging message.

As we continue to prepare for the 1986 Good News America Revivals, let me ask you to pray for three things: (1) Pray for a burden for revival. (2) Pray for laborers for the harvest. (3) Pray for the lost.

God demonstrated His love for us by giving His Son to die for the sins of the whole world. This is "good news."

As Christians, we show our love for God by being witnesses of His saving grace. Share His love by pointing others to Jesus. GOOD NEWS AMERICA, GOD LOVES YOU!

Director of Missions Report

Among the good things that you did this year were the 580 persons who attended our Pastor/Deacons Banquet to plan our 1986 simultaneous revivals and the new mission at Sims that is being sponsored by the Bailey Baptist Church and assisted by several other Tar River Baptist churches and your North Carolina Baptist State Convention. It is our prayer that this is the beginning of a great soul-winning effort in Tar River and perhaps the start of several new missions in your Association.

You are here to make plans for 1986. This is a year of great promise. Martha and I stand ready to assist your church and your Association in making the next year pleasing to our Lord and a blessing to this community. May you find your joy, happiness, and success in working with all the churches to bring people into Christ, build those people up in Christ, and send people out to witness for Christ in your community.

May God bless us all as we trust and obey His will.

Trustees Report

Our trustees have had a busy year with your missionary's home. This year, the outside trim was painted on the house. The plumbing and heating units were repaired several times. We have replaced a stencil burner, a lawn mower and installed a small storage building.

The hard freeze last year destroyed much of the shrubbery and we also have a small tree in the front that should be removed. We are recommending that the front of your missionary's home be re-landscaped by replacing the shrubbery and removing one small tree.

Christian Higher Education

Tar River Baptist Association completed its first Seminary Extension Course in a prison facility this year. "The Life of Christ" was taught at the Bunn Prison Facility from December to March. The enrollment was eight with seven completing the course work. There was a high degree of interest among the students, not only for this course, but also for the possibility of future offerings. Several students are interested in working toward one of the Seminary Extension Certificates.

The officials at Bunn Prison were most cooperative in this effort. In particular, John Blalock not only assisted but gave encouragement along the way.

Tar River Association and especially Dr. McCollum are to be commended for using higher education as a ministry of outreach beyond the walls of the church. They are also to be encouraged to continue to challenge the intellect, the heart, and the conscience of our world through Christian education.

Stewardship

September 15, 1985

The Tar River Baptist Association has shown steady growth in the past several years. This growth can be attributed to several areas throughout the Association.

1. We have had excellent leadership from the Director of Missions who has steadily and gently guided the Association and the various committees who are responsible for directing the Association.
2. We have seen the continued commitment from the churches over the years in supporting the Association with revenue as well as hours of time that is required by the churches to move and direct this Association.
3. None of the above could have been possible without the personal commitment of *you* to your church and your association. *You* have given your time, your talents, your means which collectively have moved this Association to the brink of success.

The time is now and we are on the brink of bursting out into a full blown effective, spiritually driven Association! It doesn't just happen. It's planned, it's prayed over, it's thoroughly discussed, it's communicated to the churches and finally executed with 43 churches moving ahead in unison.

We have been fed on the milk of the word and have now graduated to the meat of the word of the Lord . . . come grow with us!

Respectfully submitted,
Larry Strickland
